July 29, 2020

Dear Parent/Guardian,

The raw data from our Remote Learning Survey are in and they indicate that almost 74% of parents are choosing the totally remote option for their children this September. This also indicates that 26% of families selected in-person schooling for their child. With this number of students choosing to attend school in-person for September, we do believe that we can have a school day that is very similar to our traditional school day and also meet 5 days per week, but this needs to be finalized. Currently, we are formalizing these schedules and will present them to the public via a public forum on Tuesday, August 4, 2020, at 5:00 PM (YouTube meeting live stream--<https://youtu.be/XHLdD9b-VLM>). If you have specific questions that you would like addressed please email them before the meeting to edisonsafereturn@edison.k12.nj.us.

We know these are difficult times and that we have asked you to make hard decisions in a short period of time. Please know that we are appreciative of your cooperation and will use this information to provide optimal educational programs for your child as we continue to mitigate the impact the COVID-19 Pandemic has had on our community and our schools. We truly appreciate your cooperation and seek to continue to work together as we plan for the upcoming school year. I look forward to the start of the new school year. And as I have said before, I remain convinced that we come out of this crisis stronger than when we entered it.

Sincerely,

Bernard F. Bragen, Jr., Ed.D.
Superintendent of Schools

Nothing Less Than Excellence
