For Official Use Only **PARKING PERMIT NUMBER:** _____

Parking Guidelines

All Students using the Archbishop Hoban parking lot must purchase a parking tag in the Business Office. Once a valid tag is purchased for the school year, a student must abide by the following conditions to maintain his or her parking privileges:

- If a student may drive more than one car to school, each car must be listed on the parking tag application. If a situation arises where a student drives to school in a car that is unregistered, that student must notify the Central Office immediately upon arriving to school.
- The parking tag must be displayed on the car for which it is registered on the rear view mirror with the tag number facing out.
- Students must park in designated areas and must park between the white lines.
- Areas designated for student parking include any marked parking spots in the lower lot near the Barry Gym entrance, the upper lots or lots behind the gymnasium.
- **Students may not park in numbered faculty parking spaces, marked Handicapped, designated Visitor spaces or in the lot behind the Chapel**
- Any student moving an orange cone or parking in a reserved or designated spot will suffer disciplinary action.
- If a student cannot find a parking space, he or she must check in with the security guard for direction as to where they should park.
- Lost parking permits will cost \$10.00 to replace.
- **Failure to comply with the above stated guidelines will result in disciplinary action which may include a detention and/or loss of parking privileges at Archbishop Hoban High School.**

Due to the circumstances surrounding the world-wide pandemic, if you mail the Parking Permit application and check to the Hoban Business Office, including your address, we will promptly mail the Parking Permit to you after Aug. 15.
