The PCAL league takes recommendations from CCS to govern athletics.</p> <p>Currently, all athletics is on hold until next calendar year.</p> <p>Details on conditioning sessions and other training will be posted and sent out to coaches at CHS.</p>	<p>All District technology is vetted through the District policies.</p> <p>Those without Internet access can apply for “hotspots” that the district has purchased.</p> <p>Chromebooks were distributed in the spring of last year and those that need a chromebook this coming school year will be contacted by a district official. All students are being called to verify internet access, and chromebook needs.</p> <p>All chromebook issues will first be handled here on site by Dawn Guillen or Ryan Dequin.</p> <p>Devices that are broken will be evaluated by site personnel before going to IT in the district.</p> <p>Replacement devices may take some time to replace.</p> <p>Access to the chromebook can be found on the CHS or <a href="#">GUSD website</a>.</p>	<p>AERIES is the main communication platform between the school and parents/students.</p> <p>Parents should have their own account and students already have one. <a href="#">Parent Login Portal</a></p> <p>Parents can access published grades by teachers and see upcoming assignments. To establish an account, <a href="#">click here for more information</a>.</p> <p>There are <a href="#">apps available</a> for all phone types.</p> <p>Communications between the school and parents will come from this portal. <a href="#">Make sure your email address/contact information is up to date</a>.</p>	<p>All students have an email account through gmail using their 6 digit student ID # starting with a “7”.</p> <p>Communications between teachers and students happens here.</p> <p>Teachers have an online classroom called a Google Classroom. Students are assigned and login into a Google classroom for each of their classes. Access codes are available from teachers.</p> <p>Most online work is turned in through Google classroom or email. Using their phone to take pictures is a productive way of getting work to teachers.</p> <p>Students having difficulty accessing their Google account should email (from another account) or call Mr. Kuwada 669-205-5300 for login help.</p>
