If it can be demonstrated that the need exists for a new club, and if enough students express sincere interest in inaugurating and maintaining it, and if faculty sponsorship can be secured, and if certain formal requirements are met, it is possible to organize a new club within the student body framework.

Organizational steps:

1. A petition must be presented to (1) Director of Activities, and (2) Student Council and Board of Trustees. The petition must state specifically the purpose, names, dues and membership requirements of the club. The petition must be subscribed to by at least eight students.
