- **WE ARE USING REASONABLE EFFORTS TO FOLLOW SAFETY RECOMMENDATIONS FROM THE CDC AND OUR INFECTION PREVENTION EXPERTS TO REDUCE THE SPREAD OF COVID-19.**
- **WEAR A FACE COVERING:** We require that everyone must wear a face covering while on our campus. Wingate University has committed to providing three reusable cloth face coverings to every student, faculty and staff member. Disposable face coverings will be available at most facility entrances. The CDC recommends that children over the age of 2 should wear a face covering. The face covering should be properly worn over your nose and mouth.
- **PRACTICE GOOD HAND HYGIENE:** We strongly encourage good and frequent hand hygiene, which includes the use of alcohol-based hand rub or handwashing with soap and water for at least 20 seconds.
- **PARTICIPATE IN DAILY SYMPTOM MONITORING:** We require all students to complete a daily symptom screening process. Students who are experiencing COVID-19 symptoms have been instructed to immediately contact the Health Center at 704-233-8102 for clinical evaluation and potential quarantine instructions. We require all faculty and staff members returning to the workplace to conduct daily symptom monitoring using the Mediat Symptom Checker before reporting to work. Faculty and staff members who are experiencing COVID-19 symptoms will not be permitted to enter our facilities and should stay home awaiting further instruction from the Health Center.
- **MAINTAIN PHYSICAL DISTANCE:** We expect that everyone who enters our premises should maintain at least a six-foot physical distance from others, where and when possible, at all times.
- **LIMIT NUMBER OF VISITORS:** We have limited the number of people who enter our facilities, who gather, study and work in our spaces and who provide vendor services, goods and equipment to us. Outside visitors are not allowed in residential facilities.
- **ENHANCED CLEANING PROTOCOLS:** We have initiated enhanced cleaning protocols throughout our facilities in accordance with CDC and Union County Health Department guidelines.
- **FACILITIES UPGRADES:** We have enhanced various facilities in an effort to reduce the risk of infection transmission.
- **STUDENT & EMPLOYEE EDUCATION:** We provide ongoing education and communication to our students, faculty and staff members in an effort to reduce the risk of infection transmission.
