### MISSION

Our mission is to educate our students in the wholeness of mind, body, and spirit through the teachings of Jesus Christ as proclaimed by the Catholic Church. Our students learn to apply leadership skills and talents in service to others. We challenge each student to work to his or her highest potential in the lifelong pursuit of learning and excellence.

# PRESIDENT'S MESSAGE

Dear Parents, Alumni, Alumni Parents, Benefactors, and Friends of Cardinal Newman High School,

It is a joy and a privilege to serve as Interim President of Cardinal Newman High School and I look forward to partnering with the Cardinal Newman Board of Trustees to produce a thoughtful, engaged process to secure a new president to take leadership in July 2021.

As a career Catholic educator, I bring experienced

leadership to the position, having served in Catholic schools for over thirty years before assuming my duties as Superintendent of Schools for the Diocese of Santa Rosa in 2016. I have been a Catholic school principal, a Catholic school parent, and a Catholic school student. While I hold advanced degrees in educational leadership and management, it was my own Catholic high school education which formed me as a leader and laid the foundation for my understanding of leadership through service.

As Superintendent of Schools for the Diocese of Santa Rosa, I have learned much about the beauty and rich history of the Cardinal Newman High School community. During these past four years I have witnessed firsthand the strength, resilience, and dedication that the teachers, staff, students, alumni, and families hold for the Mission of Cardinal Newman High School. Regardless of what the world casts upon this school community – wildfire, flood, smoke, power outages, pandemic – the people of Cardinal Newman High School persevere with grace, determination, and grit. Nothing stops Cardinal Newman High School; nothing slows it down.

With what I know is true about the Cardinal Newman school community, I joyfully exclaim:

**Congratulations to the Class of 2020** – be assured that you are leaving Newman well prepared. The world will continue to be a shifting place, but know you have been given the tools you need to achieve your goals, to build a strong future, and to create positive change in this demanding and challenging era.

**Welcome to the Class of 2024** – be assured that you are being warmly welcomed into a community of faith and tradition. Cardinal Newman High School will care, challenge and support you as you develop your intellect, talents and character. We are here to help you reach your fullest potential and to be all God created you to be.

The 2020-2021 academic year will be a new school experience that none of us have ever experienced. While we expect to be on campus, following safety protocols for social distancing, health and hygiene, and facility use, we are preparing for every scenario: classes held on campus, virtually, or through a hybrid model that limits the number of students interacting on campus at a time. Protecting student, staff, and community health is paramount, yet regardless of the safety parameters we must follow, Cardinal Newman High School is committed to providing excellence in academics, co-curricular development and spiritual formation.

While uncertainties about the future have become the norm in our current world, it is comforting to be a part of a Catholic faith community who continue to build for a better future. This was made evident on June 22 when we celebrated the groundbreaking ceremony for our new two-story classroom building. Thank you to all who joined our groundbreaking ceremony in-person and virtually. Thank you to Bishop Robert Vasa, Chaplain to the Board of Trustees Fr. Moses Brown, and our new Chaplain of Cardinal Newman High School Fr. John Plass for leading us in prayer and blessing. And thank you to all who contribute to A Call to Lead – The Capital Campaign for Cardinal Newman as their generosity allowed construction to begin fully funded.

We continue planning for our next campaign project, the Student Union, which will include a new library, new counseling offices, new indoor and outdoor eating facilities, and additional learning areas. A significant challenge gift of \$11,000,000 was committed towards the \$16,000,000 total, on condition that our school community raise the remaining \$5,000,000 by June 2021 – and we are very close! If you are interested in participating in A Call to Lead and helping fund our Student Union, please contact me at [Norman@cardinalnewman.org](mailto:Norman@cardinalnewman.org).

I wholeheartedly thank you for your support and partnership. God bless you and your families, and God bless Cardinal Newman High School.

Gratefully,

Dr. Linda Norman  
Interim President

## DISTANCE LEARNING

“Heroes Work Here”. This sign has been appearing all over the country to honor the individuals who have been on the frontlines of the fight against the Coronavirus. Truly, those people are heroes and have our utmost gratitude. Recently, one of those signs was placed on the Cardinal Newman campus by a thoughtful community member. It serves as a reminder of the extraordinary effort that our faculty and staff put forth in order to continue educating and connecting with our students during the shelter in place.

CN teachers were initially trained on distance learning practices and technologies on Friday, March 13th in order to prepare for the “possible” need to partially close or close California schools. The weekend of March 14th and 15th witnessed the closing of approximately 80% of California schools. On Monday, March 16th, the Cardinal Newman faculty was brought together for a now “extremely necessary” training on Zoom and distance teaching instructions, ideas and procedures. As of Tuesday, March 17th, Cardinal Newman was teaching all classes online and students returned to learning in a new way.

Heroes? Yes. Every teacher worked diligently and tirelessly to adjust curriculum, instruction and assessment so that every student would continue learning and feel supported. The staff continued to

support our families and school while adjusting to working from home.

All of the planning and training would not have led to a successful experience without the persistence and resiliency of the students. Students adjusted quickly, continued to work hard and remained engaged in their classes and schoolwork. This was apparent in the fifty percent reduction in absenteeism.

A survey administered in May found that our students and parents were extremely pleased with the way the distance learning experience progressed. Comments from parents included appreciation for the structure and consistency of the instructional time, the quick move to online instruction and the continued high level of instruction provided by teachers. Students reported that teachers remained available and showed genuine care and concern for students’ well-being.

While we know students, parents, faculty and staff all missed being together and learning as a community, Cardinal Newman was able to continue to provide a quality educational experience for students. We appreciate how difficult this time has been for everyone and we look forward to a return to our Cardinal Newman campus and community.

# WE WILL MISS YOU AS YOU MOVE ON...

## MR. TOM BONFIGLI

**M**r. Bonfigli has been a fixture at Cardinal Newman High School since entering the school in 1967 and graduating in 1971 as a multi-sport athlete. He started teaching at Cardinal Newman

in 1976, and has been a faculty member here for 31 years with a short tenure in between at Justin Siena. In that time Mr. Bonfigli has taught a number of courses, the latest of which has been Government, Economics and AP Economics. His lectures are legendary. On the basketball court Coach Bonfigli has also been legendary with 591 wins at Cardinal Newman and 16 North Bay League championships. He won 816 games, eighth most in California history. He was named the National Federation of State High School Associations Coach of the Year for boys basketball in California in 2019.

## MR. RORY MCNAMARA

Mr. McNamara came to Cardinal Newman 16 years ago when he was hired to teach photography. Prior to that time, Mr. McNamara, who was born in London, had

traveled throughout Europe playing in various bands and recording music, along with being a professional photographer. He has brought his love of the arts and his knowledge of the profession to develop the photography program at Cardinal Newman. He

has encouraged his students to have their works published in local newspapers, the latest of which appeared in the North Bay Bohemian. He conceived of and produced the Schooltimes online magazine for the school which included original student photos, artwork, and writing. For years he could be seen at many school events as he photographed them for various school publications. He also served for a number of years as the Department Chair for the Visual & Performing Arts Department.

## FATHER MOSES BROWN

Father Moses has been an integral part of the Cardinal Newman community as it's Chaplain since he arrived on campus in 2015. He has served as a member of

the Administrative team and head of the Theology Department and as such has made his impact throughout the spiritual and academic life of the school. He is well respected in the classroom where he has taught theology courses at various class levels. He is loved for his personable teaching style. This has also been prevalent in his engaging homilies that he has shared during the many Masses he has presided over. Father can be seen at most Cardinal Newman events whether at a basketball game where he "parts the Red Sea", or mingling with the students during lunch at Jake's Place. He has truly been the spiritual leader of our community and will be greatly missed. He will still have a presence at the school but his main position will now be at the Chancery for the Diocese of Santa Rosa.

# TEACHER OF THE YEAR

**T**he entire faculty has been named "Teacher of the Year" for 2019-2020. This is awarded due to the commitment and effort the faculty made to their students during this year that began with power shutdowns, fire, and evacuations and ended with a pandemic, having to move to online teaching for the last 3 months of school. This difficult transition was met with the energy, drive and dependability that CN faculty exhibits on a daily basis. THANK YOU!

# “A CALL TO LEAD” CAPITAL CAMPAIGN

On the morning of Monday, June 22, 2020, history was made on the burn site of the Cardinal Newman High School campus. Due to social distancing restrictions, a very small number of people were in attendance as we broke ground on the NEW 2-story classroom building! This event was streamed live so that our community could share in the excitement. Superintendent and Cardinal Newman's Interim President Linda Norman hosted the momentous occasion while Bishop Vasa offered prayer and inspirational words on how far we've come since the fire. Campaign Co-Chair Tim Bucher, CN '82, gave insight on the importance of this capital campaign and how the community has come together to make this state-of-the-art, two-story classroom building a reality.

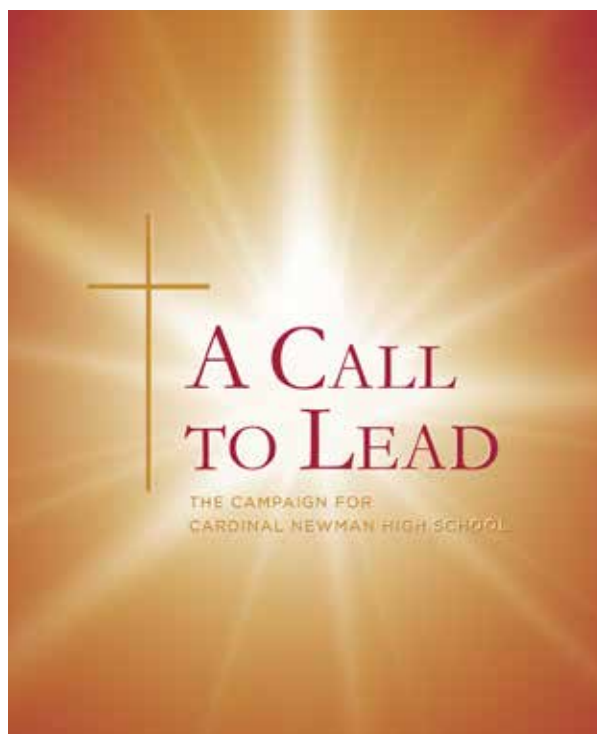

The 'shovel holders' at the ceremony represented our supportive Cardinal Newman community that have helped us reach this point in our campaign. We are grateful for all of you who have generously supported this campaign effort. Thank you to, from left to right, Mike Nonella – Wright Contracting, John Dybczak – Quattrocchi Kwok Architects, Mary Louise Bucher – Campaign Co-Chair, Will Seghessio – Class of 2021, Dan Stevens – Board Chair, Tim Bucher – Campaign Co-Chair, Bishop Robert Vasa, Ally Ostheimer – Class of 2021, Fr. Plass, Linda Norman, Fr. Moses Brown.

During the ceremony, Bishop Vasa took great pride in climbing into the driver's seat of the bulldozer and physically making things happen by moving the first bucketload of dirt! This symbolizes the great excitement and motivation behind getting this building started on time so that it's ready for the Fall 2021

school year! It was here that our community witnessed an amazing moment in the mission of Cardinal Newman High School, as we continue to educate our students in the wholeness of mind, body, and spirit, while preparing to utilize NEW state-of-the-art facilities.

This groundbreaking occasion begins the building process of the (\$19M) Phase II portion of the “A Call to Lead” capital campaign. Although this is a big step for Cardinal Newman as far as moving forward, extensive work continues as funds are raised for the (\$16M) Phase III project . .

. . a Student Union Building. The Student Union will include a library, media center, group study rooms, classroom spaces, college and career counseling offices, a kitchen/cafeteria, and an indoor/outdoor eating area. We are very close to funding this phase! Please contact Advancement Director Terri Derr, [derr@cardinalnewman.org](mailto:derr@cardinalnewman.org), (707) 546-6470 x117, for information on how to support this next phase of the “A Call to Lead” capital campaign.

SPRING SPORTS WERE CANCELED DUE TO PANDEMIC

# SPRING SPORTS TEAMS AND ROSTERS

Student athletes at Cardinal Newman expect to be playing sports during their season(s) of play! Unfortunately, that was not able to fully-happen this year. The season many students had been looking forward to was replaced instead by a worldwide pandemic. Although the spring sports season ended just as it was getting started, Cardinal Newman still wants to recognize the spring sports athletes, many of whom were seniors that had given a lot to their sport(s) of choice during their time as a Cardinal. The discipline, hard work, dedication, and commitment student athletes have made to Cardinal Newman needs to be celebrated!

Cardinal Newman especially wishes to recognize the senior student athletes. We'd like to celebrate your accomplishments on the field and the time you've invested in your program. While you were not able to have your senior recognition in person, your coaches and the athletic department want to make sure you are properly thanked as you move on and begin your life away from the place you've called home the last four years. You now represent the long line of athletes who have played before you. Honor that tradition, and Congratulations Class of 2020.

## VARSITY MEN'S SOCCER

Cardinal Newman Varsity Men's Soccer would like to thank all our athletes, parents, and extended families. All of your support and dedication is paramount to our team's success. Congratulations on sharing a wonderful season together with many exciting moments to celebrate. We are looking forward to a successful 2021 soccer season.

## WOMEN'S VARSITY SOCCER

The women's soccer team had an unprecedented season winning the North Bay League for the first time in Cardinal Newman history. The girls capped off the season by winning the North Coast Section Division IV Championship in a win over Marin Academy by a score of 2-1. The team finished the season with an impressive record of 17 wins, 3 losses, and 1 tie. We graduate four senior players in Paige Foster, Claire Hernandez, Izzy Lekander, and Lea Stockham, all of which were great contributors. We are looking forward to next season where the program will have eight returning starters and eighteen returning players in all. Based on the success over the last three seasons, the Cardinals have been moved up to Division III in NCS, an accomplishment attributed in large part by the graduating seniors.

## JV WOMEN'S BASKETBALL

This year's team had an undefeated record of 24-0, winning tournaments at El Molino, Petaluma and Terra Linda. The team chemistry was unlike any team that Head Coach Alexis Tappe has ever coached. The student athletes got along on and off the court and pushed each other every day to better themselves and the team. The players worked on fundamentals, as well as team aspects of the game, while holding each other accountable to be on time, ready to play, work hard in practice, be a support system when not in the game, and be an all-around good team player. This team did not show selfishness; sharing the ball was something the girls had down to a tee and took pride in.

Whether it was in practice or during a game there was always inner squad competition. Coaches instilled in players that a starting spot is always up for grabs, meaning if you do not put forth the work, the spot is not yours. Practices became more intense and girls were always fighting their way into a starting spot. Inner squad competition is something coaches wanted because that results in the team getting better as a whole too; fine tuning skills, defensive stance, keying in on team tendencies, etc. This allowed our 2019-2020 team to get better every day.

Overall, coaches are very proud of what this team accomplished with their hard work and dedication to the game and each other.

## MEN'S FRESHMAN BASKETBALL

The 2019-20 CN Cardinal Newman Freshmen basketball team ended up with an overall record of 17-9.

The preseason record was 9-7 with some very good games. In the Sweet 16 tourney the Cardinals took 4th place out of the 16 teams for a respectable finish. The team was just starting to gel before league play began.

The team finished in 2nd place in league with an 8-2 record losing to Montgomery both times.

The team members were Micky Cook, Tyler Sheppard, Vinnie Sage-Elwood, Stephen Olibas, Jack Larson, Charlie Oandason, Xavier Vigil, Jaydon Cameron, Aidan McLaughlin, Jesse Schwarm, Hudson Black, Nick Ayre, Sam Elliott, Paul Munsell, Syris Palley and Vaughn Pena.

All of the players improved their game throughout the season and many learned how to encourage and support one another as the season progressed.

Many thanks to all the parents who helped all year long with the scorekeeping, stats keeping, score clock, Sweet 16 Tourney and vocal support. Special thanks to Heather Moritz as our team Rep who kept everyone informed all year long.

Lastly, a very special thank you to our assistant coach, Cory Hammell, who really bonded with the players and taught them a lot about basketball and what it takes to be a good player.

## VARSITY WOMEN'S BASKETBALL

The 2019-2020 Cardinal Newman High School Varsity Girls Basketball team had one of the most successful seasons in program history. The season started with a win in the program's first-ever Championship in the extremely competitive 6th Annual Cardinal Newman Classic Tournament, which featured some of the top teams and players in Northern California. The Cardinals opened up tournament play with a win over a talented young Pinole Valley squad followed by hard-earned win over state-ranked Sacred Heart Cathedral. They went on to defeat state-ranked San Ramon Valley in the Championship game of the tournament. Junior Guard Aysia Dural and Senior Guard Emma Nordby were named to the All-Tournament Team. Senior Guard Anya Choice was named Tournament MVP, averaging over 25 points per game on the weekend.

The next week the Cardinals went on to win the Paris Twins Classic Tournament at Piedmont High School. Once again, Anya Choice was named Tournament MVP and Juniors Aysia Dural and Mariah Harris were named to the All-Tournament Team.

For the 7th year in a row the Cardinals dominated Sonoma County winning the North Bay League Oak Division Championship and the North Bay League Oak Tournament Championship. During league play they also participated in the St. Mary's Stockton MLK Showcase and the Heritage Rep Your School Showcase, two of the most prestigious showcases in the country. They had two big wins over Regis Jesuit (one of the top ranked teams in Colorado) and Antelope, who went on to win the Sac Joaquin Division 2 Section Championship.

The Cardinals received the #3 seed in the Inaugural NCS Open Division, which consists of the top six teams in the North Coast Section regardless of division. They began Open Division play with a home win over #6 seed Heritage (Brentwood, CA) and followed that up with an upset road win over #2 seed Salesian (Richmond, CA). Anya Choice dominated Salesian, scoring 43 points (8 3-pointers) and setting both a personal and a school scoring record. With that

win the Cardinals qualified for the NCS Open Division Championship at St. Mary's College of CA, where they fell to the #1 seed St. Joseph's of Notre Dame (Alameda, CA).

For the third time in four years the Cardinals were selected to compete in the Open State Tournament. The Open Division consists of the top teams in the state of California (up to 16 teams), regardless of division or school size. Cardinal Newman Girls Basketball is the only program in the history of Sonoma County to be selected to participate in the Open Division.

The Cardinals were selected as the #5 seed in Northern California and were on the road to battle St. Mary's Stockton. The Cardinals defeated the National Powerhouse by two as Anya Choice connected with Christina Bacci on a fast break lay-up with a few seconds remaining. With that win the Cardinals were on the road once again, this time to battle another National Powerhouse in Archbishop Mitty. The Cardinals fell to Mitty, ending their season as the #2 Ranked Team in the North Coast Section (All Divisions) and the #11 Ranked Team in the State California (All Divisions).

The Cardinals graduate four tremendous seniors: Christina Bacci, Liz Chambers, Anya Choice and Emma Nordby. Christina accepted a scholarship to play college basketball at Cal State Eastbay, Liz accepted a scholarship to play college basketball at Point Loma Nazarene University, Anya accepted a scholarship to play college basketball at UC Santa Barbara and Emma will be studying Engineering at Texas A&M University. These four young women have made tremendous contributions to our program and have been a huge part of some of the most successful teams in program history. We would like to thank Christina, Liz, Anya, Emma and their families for their commitment to the Cardinal Newman community and the girls basketball program. We wish them the best of luck in college and beyond!

## WRESTLING

The Cardinal Newman Wrestling Team finished the 2019-2020 season at the end of February. The Cardinals finished 3rd in the Men's North Bay League Tournament, which combined both the Redwood and Oak Divisions. The Lady Cardinals finished 5th in the Women's North Bay League Tournament.

Starting the season with a limited roster, the Cardinals struggled with injuries throughout the season. The team finished with a disappointing 0-5 record in dual meets, however that did not stop them from excelling individually.

Most weekends during the season, the Cardinal Newman Wrestling Team can be found meeting in the early hours of the morning heading off to destinations around the Bay Area, and as far as Reno, NV. The team spends all day facing off against opponents from schools across the state and western US. These invitational tournaments are where individuals have the chance to stand out, and the team did not disappoint.

Starting with the Lady Cardinals, freshman Isabella Sanchez had a promising season finishing third in the NBL tournament. Sophomore standout Ruby Joseph finished first at the NBL tournament. Ruby qualified for the North Coast Section Tournament where she faced

tough competition, placing seventh overall. This was Ruby's second consecutive year placing at the North Coast Section Tournament. Both Lady Cardinals have a bright future in wrestling ahead of them.

The Cardinal Newman Men's team had seven placers, including one champion, at the North Bay League Tournament. Luca Castello (172 lbs) in fifth place; Dimitri Tannous (134 lbs) in fourth place; Manny Garcia (128 lbs) and Hunter Halkovich (122 lbs) in third place; and Daniel Boyle (184 lbs) and Clayton Utter (147 lbs) in second place. Eric Scrivanich was the champion in the 140 lbs weight class.

While all placers qualified for the North Coast Section Tournament, Scrivanich advanced to the semi-finals and ultimately placed sixth overall.

With great pride, Coach Hector Sandoval along with Assistant Coaches Patrick Utter, Joe Tiernan, and John Escamilla congratulate the Cardinal Newman Wrestling Team on another great season. The coaching staff is excited to see what the 2020-21 season holds for this bright group of young men and women, and looks forward to their individual growth in the coming years.

## VARSITY MEN'S BASKETBALL

This year's Mens' Varsity Basketball Team finished 21-8 and took second place in the Oak Division. They won the Rose City Tourney and Sonoma County Classic and defeated four league champions. They were led by seniors Giancarlo Woods and Alija Hunter--voted first and second team --ALL OAK DIVISION. During the Rose City Tournament, Coach

Bonfigli became the 10th high school basketball coach in California history to win his 800th game. He was also selected the California State Coach of the Year by the National Federation of High School. Congratulations to the coaches and players on their season!

## SENIOR RETREAT: “IMMERSE”

The theme of the Senior Retreat is “Immerse”, a call to the seniors to follow the example of Christ and fully-immerse themselves in the journey of life. Forty-seven members of the Class of 2020 attended the February Senior Retreat and approximately 65 others unfortunately missed the March 29-31 Senior Retreat as the COVID-19 pandemic caused CNHS to move to distance learning. Religion teachers incorporated many of the traditional senior retreat activities into the distance learning curriculum. Veteran teacher retreat leaders recorded “Immerse!” video messages which students watched and responded to via journaling and class discussions. Seniors also participated in a virtual “affirmation wall” and wrote letters to themselves that will be mailed later this year. Each senior was also mailed a guardian angel prayer coin to remind them of God’s providence and their teachers’ continued prayers for them.

The February Senior Class Retreat took place at Alliance Redwoods Christian Conference Center in the beautiful redwood forest of Occidental. The students were encouraged to reflect on the meaning and purpose of their lives and spend some time in self-discovery as well as community building. Volunteer teachers and faculty poured much time, attention, and care into the students. They led small groups, gave witness talks to the large group and were wonderful, guiding presences to the seniors.

The students arrived on Sunday to the redwoods early enough to take advantage of the beautiful weather and hike with their small groups. That evening, following games and dinner, the students began to immerse themselves into the theme of the retreat. Monday brought time to spend outdoors in prayer and building trust with peers as they took turns guiding each other in blindfolded trust walk. The evening culminated in a Reconciliation Service, a campfire and a very special night prayer tradition. Tuesday after lunch the students reflected on their future selves and their retreat experience. Students returned to their day-to-day lives refreshed after spending some time in prayer, personal reflection, and community with classmates.

# JUNIOR RETREAT: IDENTITY

Each year we plan and hope that the Junior Class Retreat will strengthen the friendship and community of the Junior Class. The theme of the retreat “Identity” invites the students to reflect, discuss, and engage in activities about who they are as individuals and as a class community. This year 55 members of the Class of 2021 attended the January Junior Retreat and approximately 50 others unfortunately missed the March 15-16 Junior Retreat as the COVID-19 pandemic caused CNHS to move to distance learning. We pray for the health and safety of all and that next year all the students will be able to attend their Senior Retreat.

The January Junior Retreat began on Sunday morning as the members of the junior class arrived at Jake’s Place. Students met their retreat small groups and enjoyed lunch together before departing for CYO Camp in the beautiful redwood forest of Occidental. The groups took advantage of the nice weather and

spent the afternoon hiking and getting to know new things about one another.

Sunday evening was spent with students sharing about their identities and experiences through games, projects and activities. The students enjoyed being able to relax, unwind and enjoyed time together in play. Each small group, led by a volunteer faculty or staff member, served as a safe place for students to engage with each other in deep discussion. The evening culminated in a prayer remembering all those who have touched our lives.

Monday began with a nature morning prayer and time for the students to go out on their own to contemplate and pray in the beautiful natural surroundings. Over the course of the rest of the day the students discussed who they are as a class and took time for relaxation. The retreat ended with an affirmation activity before the students headed home a refreshed and more closely-bonded class community.

## LETTER TO ASB

Written by Mrs. Eggelston on behalf of CN Faculty and Staff

**Dear Class of 2020,**

What a year it has been, let alone for our years! There has been one thing after another from fires, floods, power outages, and now a pandemic. This class has persevered and is the toughest class Cardinal Newman has seen. The community has watched this class take the devastation of losing a great deal of their senior year in stride and with positive attitudes. They display and live the true meaning of "heart speaks to heart" through working together, laughing together, learning together, and even crying together. What an incredible group of people! I wish you all happiness and success in life after Cardinal Newman. Be true to yourself, make good decisions, and be safe. In the working world, choose something that fulfills your soul. Smile each day. Remember to try and always stay positive and lead by example.

To the ASB Class of 2020 - This group of individuals continued to meet throughout the pandemic bringing joy wherever they could for the community. They met and discussed the incoming ASB and are invested in the future of Cardinal Newman. Lastly, they continue to remain hopeful, positive, and energetic as we end this year virtually. ASB Class of 2020 - you have changed me forever as a teacher in the most positive ways. I am proud of each of you and truly impressed in countless ways. I will miss you all dearly.

I've said it before, but I want to say it again, YOU INSPIRE ME CLASS OF 2020, thank you!

# INTERSESSION

As a way to honor the graduating class of 2020 and to celebrate their accomplishments, the senior teachers organized a week of Online Intercession classes, in place of final exams. Senior counselor, Laura Jorgenson, coordinated registration and worked with the Parents' Club to arrange for special, individual gifts to be delivered to students prior to their sessions, including mats for students in Mr. Benedetti's "Yoga" session and notebooks and pens for students taking Ms. Berry's "Creative Writing."

A number of the classes were food related. Mr. Greco and Mr. Corriveau taught "Barbecuing Techniques," providing insights on cooking tri-tip, chicken and sausages. "We started at 9:00am, a little early for barbeque, but we had a great time talking with the kids," said Mr. Greco. Other culinary sessions included "Pie Baking" with Kevin Clark, "Vegan Crunchwraps" with Eduardo Wolbert, and "Hot Sauce" with Melissa Lobbregt. Dr. Dale Westrom, Mrs. Lobbregt's stepdad, acted as guest chef, teaching students trivia and history of the chile pepper as he gave cooking lessons. "We also made a chile de arbol hot sauce in our own kitchens and showed each other the results," said Mrs. Lobbregt.

Games and leisure activities were also included with Mr. McMahon hosting a "Fortnite Tournament" and guest poker expert Mr. Steve Bourns teaching "Poker." Mr. Vukicevich guided students through meditation and reported, "They told me they never felt so relaxed." In a separate session he taught a putting class, in which the participants, via Zoom, followed each

other around self-created courses. Some students chose to spend time with Mr. Castor who focused on Ocean Safety, which promised students information on "how not to get swept out to sea." Mr. Killeen offered helpful information of a different nature. His "Automotive 101" class introduced students to important basics including how to change a tire or check their car engine's oil. Mr. Geoffrion organized a group to participate in an "NFL Fantasy Draft."

Another group of classes directed students towards envisioning their futures. Mr. Jalili advised students about the career path of "Firefighting and Emergency Medical Services." Ms. Mertle and Mr. Cronin hosted a "Student Athlete Symposium" that included a panel of college, olympic and professional athletes. Mrs. Calhoun taught an "Introduction to Programing" that, in addition to teaching skills, guided students in "thinking like a computer." Ms. Olson recruited guest speakers to address students on a range of topics: Julie Schlender, a certified health coach taught "Healthy Dorm Eating," Brittany Bach, a designer, spoke on the topic of "Dorm Room Design," Zynara Ng who works for Google, and is a professional speaker, addressed "How to Find Your Passion in Life," and Ms. Olson's sister, Ashley Olson advised students "How to Travel the World." Ms. Beyries

offered "Sewing." Mrs. Eggleston, who hosted sessions of "Graduation Cap Decorating" said, "The caps were creative and beautiful! We chatted about plans for the future and affirmed one another. It was a great way to end the semester with activities that were fun and positive!"

## FALL DANCE SHOW

On December 2-3, 2019, the Cardinal Newman Dance Program presented, "Imaginarium", a contemporary dance show inspired by dreams.

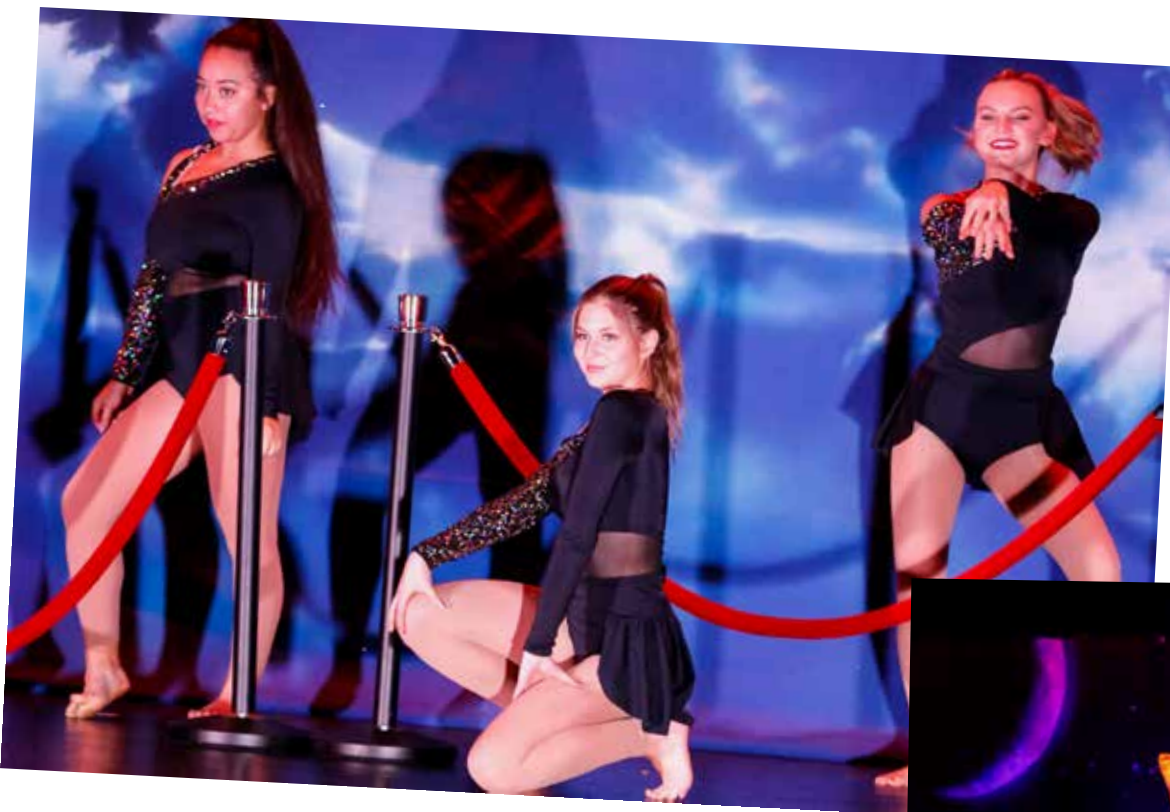

Dance II, III and Dance III Honors performed in the Jackson Theater at Sonoma Country Day School. Dancers collaborated together with their teacher and director, Gabrielle Thompson, to create a show that explored various dreams that one may have in a night of sleep.

The show opened with dancers dreaming on the night before Christmas. Dora Avanzi-Mesquita appeared as a dream fairy, gracefully waltzing across the stage as Dance III Honors wrestled in their sleep facing

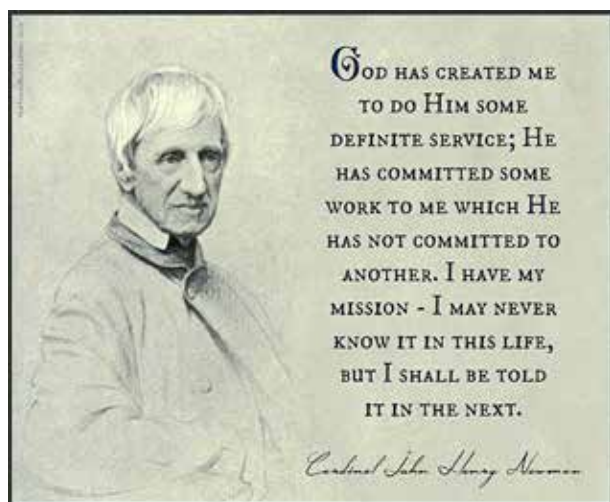

insomnia. One piece flowed into the next without any blackouts, including dances that portrayed sleep walking and talking, racing against time, facing fears, and traveling to adventurous places. The show ended with a dancer, Marina Bazzano, waking up from her dreams and realizing it is Christmas. The entire cast danced to the finale song "All I Want For Christmas", by Mariah Carey to celebrate the holiday season. Thank you to Jeannie Evans, volunteer coordinator, for helping organize all of the parent volunteers for the show. Thank you to all of the Cardinal Newman parents that helped make the show a success.

# COMMUNITY-BASED SERVICE LEARNING 2019-2020

The 2019-2020 school year proved to be extremely challenging for everyone. The many challenges were faced with a reliant spirit of faith, compassion, generosity and love. The entire Cardinal Newman Community came together and supported not only each other, but the community surrounding us. The hours of service providing for the needs of others is countless. The creative spirit of serving can be seen in the many service projects the Class of 2020 completed. We are proud of each and every student and most especially the senior students.

As we began the school year with the senior class picking up with their service project efforts both in the classroom and in the community, the freshmen, sophomore and junior students investigated ways to serve during the school year. The annual CN Service Fair, held in early October, brought to our campus over 40 non-profit organizations for students to learn from and find service opportunities. We are most appreciative and proud of the partnerships we have established with the non-profit organizations throughout Sonoma County and beyond. We give thanks for their presence in our school community and for the mentorship they continue to offer our students.

## COMMUNITY-BASED SERVICE LEARNING – cont.

In February, the CBSL program was able to honor individuals from the community who take the time to mentor our seniors through their service project efforts. Our last on-campus CBSL event was a Mentor Luncheon held in the ACC at Cardinal Newman. It was a wonderful time celebrating the accomplishments of our senior students and their mentors. Seniors were able to join some of their mentors for lunch and enjoy a little social time together.

During Shelter in Place, the CBSL program quickly shifted its focus from community-based to family-based. As we all sheltered in place, our students were encouraged to help their families with needs at home by cooking, cleaning, tutoring, caring for family members and the list goes on. Our students did a remarkable job of taking care of their families, and remarkably many continued to service the greater community virtually. Thank you to all for giving time and energy to helping care for one another. These efforts have been a true blessing and response to the call God asks of us each day.

In addition, we thank our parent community for all of their unfailing support. There is never a time when we experience a lack of help for any of our events, such as the Service Fair, Mentor Luncheon and Senior Boards. Thank you to Becky Wall and Lisa Dexter for their help this year and the numerous additional parents who worked all of our CBSL events.

We also wish to thank the Fr. Gerald Thomas Foundation for the generous annual gift to the CBSL program. A gift in the amount of \$3,000 was used to support the service project efforts of the senior class. In addition, another of our benefactors, Mr. Bobby Platt, provided \$5,000 and countless cartoon drawings for many service projects this school year. These funds were also used to purchase a “Newman Strong” thank you parting gift for each of the students in the senior class! Thank you to all of our benefactors, your support is very much appreciated. Without your generous support, our CBSL Program would not be what it is today!

Finally, to the Class of 2020, congratulations on completing your service projects and Senior Board presentations. You have done a tremendous job serving others while learning a great deal about your faith, world and yourself. We wish you well as you venture forward in life with a spirit of faith and the knowledge of all the lessons of the Catholic Social Teachings and Works of Mercy. May each of you continue to be blessed with good health and happiness in your lives. Always remember the community and family you have at Cardinal Newman High School. God bless.

# CAPSTONE RESEARCHERS: SUCCESS WHILE SHELTERING!

**N**ow in its third year, the AP Capstone Program offers Cardinal Newman

students the opportunity to engage in college-level research on individually-chosen topics.

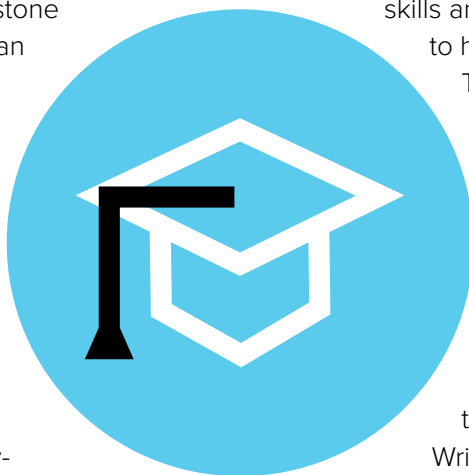

Maryanne Berry brought the program to Newman with the aim of enhancing the interdisciplinary nature of the school's curriculum.

The English Department had already developed a deep relationship with the Religion Department through the Community-Based Service Learning (CBSL) program.

Ms. Berry said, "My first goal was to develop a type of "Advanced Placement CBSL" option through which students could participate in action research, using their sites both to develop projects as well as to gather and analyze data for an extended inquiry. My second goal was to expand the same successful collaboration that existed between English and Religion with other departments."

Last year, Ms. Berry invited Mr. Eduardo Wolbert to teach the first of the two courses, "AP Seminar" while she continued with the second. The two teachers agree that the most profound learning occurs when students' scholarly work grows from their own passions and interests. The way Mr. Wolbert views the program, "Capstone can be a vehicle for students who love science, technology or the arts to develop foundational skills in the Seminar year and then conduct a yearlong exploration in the Research class that culminates in a twenty page, scholarly paper."

This year, Christine Nguyen who began researching issues related to the humane treatment of animals during her junior year chose to craft her CBSL project at the Sonoma County Animal Shelter. According to Christine, "Deep research refined my critical thinking

skills and helped me realize that it's okay to have more questions than answers."

The process of writing the paper became an integral part of her learning. "I came into the class thinking that my final draft would end up looking very similar to my first draft...I ended up cutting out large sections of my paper and constantly rereading sentences and rearranging paragraphs until I thought the paper made more sense.

Writing this paper led me to talking to experts in the field and learning everything there was to know and more. I was able to come up with new perspectives and being able to write about them was extremely rewarding."

Vincent Peng pursued his personal interest in climate change by investigating how people assess risk. He conducted a survey of members of Cardinal Newman's community whose lives have been affected by wildfires and discovered "evidence that climate change risk perception is affected by both personal experiences with extreme weather and differences in political ideology." He enjoyed the self-directed inquiry that contributed both to the development of his writing skills and his understanding of statistics. "The Capstone research paper has been so valuable to my educational and intellectual growth. It allowed me to discover the research process that scientists and academics use to answer today's most important questions. The process challenged my writing and reasoning skills which have prepared me to thrive in college."

Two students extended their investigations to far corners of the globe. Alexander Limper who explored youths' perceptions of safety while interacting on the internet and Junfei "Jordan" Xiong who studied

methods of teaching English in China, both gathered international data. According to Jordan, “The most challenging component was the research design. It was my first time designing a method of interviewing people. In Capstone, I learned how to be a real researcher. I want to study Biochemistry in the future, which requires experience on how to write a research paper.”

Ms. Berry was deeply impressed by the students’ abilities to complete their papers while distance learning. “They continued to support one another through group discussion and peer review. While the development of skills was a shared process, everyone in the class gained from the growing expertise of each individual. The student writing the paper on carbon emissions, also learned from classmates on topics ranging from film theory to historical injustices, music therapy, and commuter railways. Because the course is student-driven, it’s new every time we teach it!”

# ALUMNI LEGACY SCHOLARSHIP!

The Cardinal Newman Alumni Association has worked hard to establish the Alumni Legacy Scholarship Fund to support children and/or grandchildren

of Cardinal Newman alumni with annual scholarships. This is the ninth year this scholarship has been available. Congratulations to rising sophomore Violet Campana and incoming freshman Brydan Aguirre for being this year's recipients! Support the Alumni Endowment Fund by visiting our website at [www.cardinalnewman.org](http://www.cardinalnewman.org) under the Ways of Giving Tab. Online donations are welcome!

# SACRAMENT PREPARATION

Campus Ministry offers a Sacrament Preparation Program for CN students, in grade 10 or above, to prepare for the Sacraments of Initiation. The freshman year religion class serves as the students' first year of preparation. The second year is the specific Sacrament preparation classes focusing on a deeper understanding of the faith and preparing to receive the sacraments of Baptism, first Eucharist, and/or Confirmation. Students can sign up for these classes by contacting [retreats@cardinalnewman.org](mailto:retreats@cardinalnewman.org).

Classes will begin in the fall semester 2020 and students will celebrate their Sacraments in the Spring of 2021. May God bless all those who celebrated the Sacraments of Initiation this year!

# MOMS' CLUB SUPPORTS OUR COMMUNITY

**CARDINAL NEWMAN'S MOMS' CLUB IS A GROUP OF ENERGETIC, TALENTED MOMS WHO TOGETHER HOST SEVERAL SOCIAL EVENTS THROUGHOUT THE YEAR FOR OUR SCHOOL COMMUNITY. LAST YEAR WAS NO EXCEPTION! HERE IS A HIGHLIGHT OF THEIR EVENTS:**

- The Hextrum family hosted our Back to School Co-Ed event in support the Alger Family after their family loss.
- The November event was held on campus in the ACC and was themed around Breast Cancer Awareness. Funds from this event supported the Williams family following their family loss.
- The Lashinski Family hosted our Ornament Exchange event in December and the funds were donated to a family in Rohnert Park. The Moms' Club was able to provide their family of 4 children with gifts following the loss of their home to a house fire.
- Bill O'Conner graciously accommodated our group at the beautiful Kendall Jackson Winery. Support from this event was able to provide food and drinks to Queenie Tran who feeds the homeless in Santa Rosa every Friday night.
- The Pavitt Family hosted the last event of the year at their winery just a few days before the Shelter in Place began. The event's proceeds supported the purchase and distribution of the Senior Graduation yard signs for each CN Senior.

We want to thank our fearless leader, Alyson Escallier, as well as Jill Hernandez and Renee Foster for all of their hard work in donating their time to Mom's Club. They will be greatly missed and we look forward to celebrating their volunteer work soon.
