

School Counselor Intern Program

The mission of the TUSD counseling program is to foster positive social emotional development opportunities by providing nurturing and safe school environments where successful learning can take place. Our counseling program provides opportunities for all students to access their full potential by cultivating critical like skills focused in the areas academic, career, personal and social skills development. We strive for students to effectively manage their lives as healthy and competent citizens with respect for themselves and others.

Program Components

The school counseling intern program endeavors to provide productive and supportive training and experience in which interns can confidently pursue a position in the school counseling field. Components of this program include but are not limited to:

- A School Counseling Site Supervisor with qualified school counseling experience.
- Placement at an Elementary, Middle, Highschool or Tustin Connect (Online and Independent Study School).
- Weekly supervision meeting with Site Supervisor.
- Attendance at monthly District Counselor Meetings.
- Participation in School Counselor professional developments.
- Experience using data to measure impact of interventions.

Fieldwork Delivery System

School counseling fieldwork experience is facilitated through a delivery system that implements ASCA National Model standards:

- School Counseling Core Curriculum - Partnering with Site Supervisors on program planning and delivery of class lessons and school wide activities.
- Individual Student Planning - Supporting students with personal goal setting and future planning.
- Responsive Services - Providing small group, individual, and crisis counseling support to students.
- Indirect Student Services - Consultation and collaboration with parents and staff.
