Participant family seats will be assigned in a random drawing system in Sections A, B, F, G, and Hillside.
- Reserved ticket holders in Section D will be distributed in two methods.

It is disappointing to all of us at AISD that we have been tasked with this difficult situation. There is no better place on Earth on a Friday night, than in Alto, Texas. Please remember that we have tried to take care of our participant families first. After all, they have a child playing, cheering, or performing. Family is what makes our school the wonderful place it is! Let us all hope for an end to this pandemic so we can return to normal in 2021!
