Bell Schedules: All-Campus Distance Learning

Fall 2020

If the entire campus is in a distance learning model, we will shorten the time between classes so that our school day can be shorter. We will still follow the same class rotation and the same 45 minute class periods, so the learning will stay consistent as we move between the FLEX models.

Helpful Notes

- The learning day is 4.5 hours with a 45 minute lunch break and 5 minute breaks between classes.
- The smaller breaks allows for teacher office hours for at home learners to get additional support from teachers.
- Smaller breaks help give students time to stretch and take needed breaks while still staying engaged in the school day.
