

Clubs & Activities

9th Period / After School

Art Club

Art Club will primarily focus on drawing skills and building a sketchbook. Students will have drawing assignments and refine their ability to draw from observation. Maximum number of students is 15. 8th grade students only. Drawing pre-requisite required. Meeting dates are every other Friday, 9th period. October - May. Advisor: Ms. Hawthorne.

STEM Club

Students will perform STEM experiments and learn how they work. Meetings are once a month on Fridays, after school 3:00-4:30PM. September - June. Advisor: Mrs. Dingle.

Lego Club

Students will create various structures and vehicles with Legos while socializing with peers. Dates to be announced. Advisor: Mrs. Matt.

TigrTV

TigrTV focuses on the technical aspects of production in a TV studio and its broadcasting. There is an emphasis on digital video editing for producing content. Students rotate and train in different roles. Monday - Friday on non-Tiger Time days during 9th Period & before or after school. September - June. Advisor: Mr. Graham.

Science Olympiad

Students compete in both academic and building events as well as against schools in Delaware and Chester Counties. Meeting dates are Tuesdays, 3:00 - 4:00 PM & Thursdays 7:00 AM - 8:00 AM. October - March. Advisors: Mrs. Dingle / Mr. Parsons.

Student Council

Members make a difference, inspire spirit, and organize events and activities that improve the school and community. Wednesdays, 7:20 AM. September - June. Advisors: Mrs. Campo-John / Mrs. Facciolo.

Yearbook Club

Work together to take pictures and create page layouts to produce a yearbook for the school. Only 7th & 8th grade students. Meeting dates once a month on C-day, 9th period. After school dates to be announced. October - May. Advisor: Ms. Banes.

Guidelines for Creating Clubs at Paxon Hollow

- 1) Come up with an idea for your club and make sure it is clear and understandable.
- 2) Find a teacher(s) to be your faculty advisor(s). This means they will be the supervisor for the club and be present at all club meetings.
- 3) Fill out an information packet about your club. These can be found in Mrs. Campo-John's room 102 or ask a member of Student Council for a copy. You must then fill out the name of your club, why it would be beneficial to the student body, and the name of your faculty advisor(s).
- 4) After you turn in your packet to Mrs. Campo-John or a student council member, student council will hold a vote to determine whether they think the club will be enjoyed by the student body. If approved by Student Council, it is forwarded to building administration for approval. Some clubs or activities may also require school board approval.
- 5) If your club is approved, Student Council will work with you and your advisor(s) to plan the club and get sign-ups and activity times set up.

Paxon Hollow

2019 - 2020

CLUBS & ACTIVITIES

Clubs & Activities

9th Period / After School

Makerspace Club

The Makerspace Club offers students in all grades the opportunity to explore some of the tools in the Makerspace in more depth. Topics include: coding, engineering & design, electronics, and robotics. Meeting dates are three times a month during 9th period. Dates to be announced. October - June. Advisor: Ms. Brennan.

Best Buddies

Best Buddies is a nonprofit organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment and leadership development for people with intellectual and developmental disabilities (IDD). To learn more about our organization, our mission, and the programs we offer, please visit: <http://www.bestbuddies.org>. Meeting dates are once or twice a month during 9th period in room 410. Events planned are during 9th, lunch, or evenings/weekends (Evening or weekend events must have parent chaperone). September - May. Advisor: Mrs. Stunzi.

Ski Club

We take the students skiing, snowboarding and tubing during the winter months. Club available for 7th and 8th grade students. Meetings to be announced. During 9th period. December - March. Advisors: Mr. Weiss / Mr. Vlahos/ Ms. Hawthorne.

Recycling Club

The purpose of the recycling club here at Paxon is two-fold. First, it is to make our school eco-friendly and recycle four types of materials: paper, card board, plastic, and aluminum. Second, it is to educate and raise awareness about the importance of recycling in our community. We are always looking for new members to join in to save the world with a small simple action every other Friday during 9th period, starting January 2020. Advisors: Mrs. Disharoon / Mrs. Shoemaker.

French Club

We learn about and celebrate French-speaking cultures, including holidays. We will meet during 9th period every other A-day. September - June.

Advisor: Ms. Hornberger.

Spanish Club

In Spanish Club, students will learn about and discuss Hispanic culture. We will also have hands-on activities to connect with the varied cultures within the Latin American and Spanish communities. We will meet every other B-day during 9th period. September - May. Advisor: Mrs. Diego.

Reading Olympics

Students form teams and each team is responsible for having to collectively read all of the books on the list. Usually, each student reads about 8 of the books over the course of the school year. Teams compete against other schools in the DCIU-sponsored Reading Olympics held in the spring. Meetings during 9th period. Dates will be announced once a month. October - April. Advisors: Mrs. Murphy / Ms. Brennan / Mrs. Stunzi.

Climbing Club

Climbing Club offers students an extra opportunity to take their climbing up to the next level. The different elements students climb vary from independent to group climbs, where students must work together to be successful. Rock wall, Prusik climbing, Cargo net, Jacob's ladder, and more. This club rocks! Be sure to sign up and we will show you the ropes. Meetings to held on C-day in terms 2,3, & 4 during 9th Period. Advisors: Mr. Wendler / Mrs. Ward / Mrs. Long / Mr. Weiss.

Kids Helping Kids

Opportunity for students to participate in community outreach programs including, but not limited to, activities for the Make a Wish Foundation, fundraising activities for local charity organizations, anti-bullying awareness activities, etc. The 2nd and 4th Thursday of the month 9th Period, October - May. Advisor: Mrs. Cooper.
