Dear Parents and Guardians:

I have never been more excited to say “Welcome Back to our students”! What a crazy, gut wrenching summer packed with a rollercoaster of emotions! It has been full of lows and highs. The good news is we ended on a high note and get to see our faculty, staff, and students back in the buildings doing what God put us on this earth to do....love kids, teach them valuable life lessons, give them hope, spread joy, spread kindness and make them feel safe. Of course along with that we will teach them math, science, English, social studies, arts, foreign languages, practical life skills, team work, how to share, how to get along with others, and the list goes on and on.

In the previous email that was sent this week, I mentioned that on Friday you would receive the China Spring ISD Instructional Plans, the four Campus COVID-19 Safety Plans, a back to class survey about which learning platform you want to choose for your students, and a frequently asked questions (FAQ) page. All of those documents are attached and are also on the district website at [www.chinaspringisd.net](http://www.chinaspringisd.net) under the COVID-19 tab on the far right.

First, I would like you to thoroughly read the China Spring ISD Instructional Plans and the four Campus COVID-19 Safety Plans. After you read those documents then read the FAQ. Our hope is that the safety plans will answer most of your questions and the FAQ will answer a few more. After you read all of the documents we ask that you complete the back to class survey for the 2020-2021 school year at this link [https://docs.google.com/forms/d/e/1FAIpQLScpgP\\_ee-7\\_sptiE0b-k1A5d3fzQw6vxFh00KKRnxFc-iHulQ/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLScpgP_ee-7_sptiE0b-k1A5d3fzQw6vxFh00KKRnxFc-iHulQ/viewform?usp=sf_link).

Last, we have had almost 2100 students complete the on-line registration packets and for that we THANK YOU so much. If you have not had a chance to register your student please take the time to do so now. All students must register regardless of the learning platform they select. The deadline has been extended until Sunday, August 2, 2020 at midnight. The registration link is on the district web page under the parents tab.

Thank you for your patience in the delivery of the plans. We look forward to working with all of your students in whatever learning platform best suits your family and cannot wait to visit with them.

Sincerely,

Marc Faulkner, Ed.D
