

The Taft School

E & R Laundry Service for 2020-21

Dear Taft School Students and Families,

We are sure that you are as excited to join us on campus this fall as we are to have you here. We are in the midst of extensive planning to get the school year underway and ensuring the health and safety of our students is of the utmost importance. For the 2020-21, Taft and E&R - The Campus Laundry will once again partner to provide laundry service to all interested students to better meet our community needs.

For many years Taft School has partnered with E&R - The Campus Laundry. This has been a way that E&R can help ease our students into campus life by offering them a break in their increasingly busy schedules. Today, the service E&R provides our students is more valuable than ever. **We are fortunate to have E&R's near 100 years of cleaning expertise available to you and strongly recommend that you take advantage of their services to help your student keep as clean and safe as possible.**

Their ultramodern washing process uses automated soap injection and hypoallergenic detergents to minimize virus risk for all garments and linens, returning everything to you **Certified E&R Clean**. Our families appreciate the peace of mind knowing their laundry is always up to health guidelines, and they enjoy the additional 80-100 hours they gain every year by not doing their own laundry. **We believe that the most effective way to ensure safety and clean laundry is to use a laundry service like the one provided by E&R.**

E&R offers a variety of plans that meet all wardrobes and budgets and are designed to allow students to focus on their academics, make the most of their limited free time, and not worry about viruses in their bedsheets, towels, and clothing. More than ever, **we strongly recommend that you consider one of E&R's plans, which are currently available at E&R's early registration rate.** For a limited time, E&R is able to make this more convenient to you by offering a \$50 reduction in price by signing up before August 15th.

By using E&R Cleaners - The Campus Laundry, you will be able to:

- Know your clothes and linens have been **Certified E&R Clean**
- Enjoy a **healthy and clean lifestyle** (change those sheets weekly and towels every 3 days!)
- **Focus on your academics** and ease into campus life
- Maximize your **FREE time**: you've earned it
- Always **look sharp** and present yourself well

Over the years, E&R - The Campus Laundry has demonstrated a proven track record of providing **Easy & Reliable** service to Taft School students. As such, we encourage you to review the enclosed materials, choose a plan, and ensure you maximize personal hygiene while making the most of your time on campus.

Sincerely,

Jake Odden
Chief Financial Officer

You can register for E&R's services online or by phone. To receive early registration pricing and be eligible for the flexible payment plan, you must register no later than August 15, 2020. If you have any questions, please contact E&R's School Customer Service Team at 1-800-243-7789 or visit www.TheCampusLaundry.com.

\$1635
VALUE

E&R's policy is to return items clean whenever we can regardless of which plan you have purchased. Our Just the Basics plan may incur additional charges for per piece items requiring special care. Plans are designed for individual use only. Sharing of plans between students constitutes immediate forfeiture of service with no refund provided. E&R is not responsible for any possible damage to face masks washed in our commercial equipment. Please see our website for further details regarding garment processing policies.

* We wash all light colored linens and what we deem colorfast linens at water temperatures up to 160°. We strongly recommend that you send your students to school with white or light-colored linens.

How It Works

Fill up your personalized E&R laundry bag with your clothes and bed and bath linens.

Leave your laundry bag in the designated location on your pick up day.

Clean laundry is delivered back "Certified E&R Clean" in 2-3 business days.

"Certified

Clean"

According to the Huffington Post "Laundering linens, clothing, and towels at twice the usual frequency and to always use the hottest water possible."

"Wash shirts after every wear, and dresses, skirts, and pants every three wears."

Good Housekeeping

"Current research suggests that the SARS-CoV-2 virus cannot withstand temperatures above 70°C (158°F)."

CDC

"Regular washing of clothes and bedding, helps to remove any bacteria, dirt, fleas, mites and other irritants or infection."

Housing for Health

"I generally recommend that sheets and pillowcases be washed once per week."
