

Dear Eagle Hill Families,

We hope you are enjoying your summer and are safe and healthy. We are looking forward to seeing you all again on campus and have shared our plans for re-opening.

These plans have been made with all the information we have today and using the guidelines from the [State of Connecticut](#) and the [CDC](#). Given our spacious campus with most rooms of adequate size to meet safety restrictions, as well as a determined and flexible faculty, we are planning for a full-day, five-day operation with the entire school community on campus.

We remain flexible if conditions and information require us to change our programs. We have additional plans for a hybrid program that reduces the number of students on campus should we be required to reduce density on campus. We will provide you with weekly updates and additional information.

Additionally, as a Connecticut State Approved Special Education school we are required to file an opening plan with the State of Connecticut which you can see here ([insert link](#)).

Please review the information carefully. After reviewing, we ask that you complete the attached Acknowledgement Form ([insert link](#)) and return it to a.foley@eaglehill.org at your earliest convenience.

We will be hosting another Town Hall meeting on Thursday, August 6 at 7:00 pm. We invite you to join us via Zoom ([insert link](#)) and bring any questions. Shari Bloomer, Head of Lower School and Jenn Harkins, Head of Upper School will be joining us as well.

We look forward to seeing you then.

Best regards,

Jim Heus
Head of School

Tom Cone
Asst. Head of School
