SOUTHERN CONNECTICUT CONFERENCE

2020-21 YEAR IN REVIEW

27TH YEAR

Established in 1994, the Southern Connecticut Conference completed its 27th year in 2020-21, albeit an unconventional one due to the COVID-19 pandemic.

COVID-19 PANDEMIC AFFECTS 2020-21

The 2020-21 academic year will be remembered as the year where two seasons of sports (fall and winter) did not have state tournaments, which meant the various conferences, like the SCC, stepped up to provide a postseason experience for the teams, student-athletes and member schools. In the spring season, there were state tournaments, but the leagues continued to offer league postseason competitions in all sports.

SPECIAL THANKS TO OUR CORPORATE SPONSORS

To continue to offer top-notch programs and events, the SCC relies on financial support from the local business community. The SCC had several corporate sponsors for the 2020-21 academic year, including the Connecticut Orthopaedics, Holiday Hill/Holiday Hill Day Camp, Town Fair Tire, Sportsmen's of Litchfield, and The Next Street. Thanks also to Great Blue Research, for its presenting sponsorship of the scholar athlete recognition program. Also much appreciation to Steady Photography, the official photographer of the SCC.

CONNECTICUT ORTHOPAEDICS AWARDS

“COMEBACK PLAYERS OF THE YEAR”

Two student athletes – **Skylar Burzynski (Amity Regional)** and **Lucas O’Reardon (Lyman Hall HS)** – are the recipients of the 2021 SCC “Comeback Player of the Year” awards. Both students suffered severe injuries, yet were able to overcome them to become outstanding role models in their respective schools.

A corporate sponsor of the Southern Connecticut Conference (SCC), Connecticut Orthopaedics has offered a Comeback Player of the Year Scholarship for student-athletes who participated in an interscholastic sport during the 2020-2021 academic year and showed great leadership both on and off the field after their severe injury.

Coaches and school’s athletic directors nominated these student-athletes after they each suffered an unfortunate injury that prohibited them from playing for their high school teams. Both will receive a financial scholarship to be used for their college education.

“This is our 10th year in awarding student-athletes from the SCC with scholarships,” explained Glenn Elia, Chief Executive Officer of Connecticut Orthopaedics. “Our goal has been to acknowledge student-athletes who have overcome the challenges of an injury and, through hard work and determination, have become positive role models for their fellow teammates. Because we are sports medicine specialists, we understand intimately what it takes to recover from an injury and return to playing sports at a high level.”

Call it a Comeback (L-R): Glenn Elia, CEO of Connecticut Orthopaedics, Lucas O’Reardon, Skylar Burzynski and SCC Commissioner Al Carbone

2020-21 SCC/Connecticut Orthopaedics Comeback Players of the Year

SKYLAR BURZYNSKI, Amity Regional HS (basketball/lacrosse)

A two-sport standout for the Lady Spartans, Skylar tore her ACL two weeks before her junior basketball season. Despite being injured, she came to practice every single day to support her teammates, all while being diligent with her rehabilitation.

She was named captain for her senior year and led the Lady Spartans to the SCC Division I playoffs. One of the team’s leading scorers and rebounders, Skylar was selected to the All-SCC West Division team. This spring, she was an integral part of Amity’s lacrosse team which reached the SCC Division II championship game.

Skylar will attend Norwich University in the fall with plans to major in exercise science/physical therapy.

LUCAS O’REARDON, Lyman Hall HS (football/basketball)

A two-sport standout for the Trojans, Lucas suffered a severe neck injury called Clay Shoveler’s fracture that required emergency surgery during the fall of 2019. His injury short-circuited a promising junior football season that saw him still earn All-SCC Division III accolades after catching 46 passes for 631 yards and five touchdowns, and making 87 tackles and three interceptions.

Following his injury, he missed the basketball season and then the 2020 football season was not played. Lucas’ determination and work ethic carried him through his rehabilitation and he came back to lead the Trojans’ basketball squad to the SCC Division II title and was named to the All-SCC East Division team.

Lucas will attend the University of New England in the fall and intends to major in physical therapy.
