Prior Park College - Uniform & PE Kit – New Parents / Guardians

June 2020

Dear Sir / Madam,

We are delighted that your son / daughter will be starting at Prior Park College this September and are contacting you to make you aware of our services as the school's appointed uniform outfitter.

Based at 2 Argyle Street in Bath, **John Moore Sports** is a long-established family business. Drawing on our experience, we are able to use our expertise and knowledge to guide you through your back-to-school needs and to advise you on your child's requirements and sizing.

During the current Covid-19 pandemic, we would like to inform you of a number of measures that we have introduced to enable you to buy your son's / daughter's uniform in a safe and timely manner.

This year, you will be able to purchase your child's uniform in the following ways:

Online – our website, www.johnmooresports.co.uk, has dedicated pages for your school and contains each item that your child will need. Should you require any assistance with sizing, please phone us on 01225 466341 and a trained member of staff will guide you through the ordering process and advise appropriately. All orders placed on our website are eligible for FREE local delivery (depending on your postcode – see our website for details). Otherwise, the postage cost is £4 or, free of charge for orders over £75.

In Store – from 15 June, our shop will be re-opening (unless advised otherwise by the Government). However, this year, we are introducing one important change:

OUR SCHOOL UNIFORM DEPARTMENT IS OPERATING ON AN APPOINTMENT-ONLY BASIS

This is very important and will be strictly adhered to for our customers' as well as for our staff's safety. In order to book an appointment, please phone us on 01225 466341, or click this link, www.johnmooresports.setmore.com, which will take you to our online booking system. We recommend 1-hour time slots for all new starters.

If you do decide to come into our store to kit out your child, please be aware of the following measures we have put in place to safeguard you, as our customers, and our members of staff:

- The number of customers allowed in the shop at any one time will be limited.
- Please limit your visit to one adult and one child, if at all possible.
- Hand sanitiser will be provided at the entrance to the store.
- Social distancing is to be maintained at all times.
- The store will be zoned, whereby customers must stay in their allocated areas.
- Protective screens will be installed at till points.
- Customers are requested to use cash-free payment, where possible.

Please, be aware that in these uncertain times, we will not be able to deal with the usual last-minute rush at the end of August / beginning of September. Consequently, whether buying online or BY APPOINTMENT IN STORE, **please try and buy your uniform as early as possible this year.**

Our website and our social media are updated regularly, so please, keep checking these channels for up-to-date information.

We thank you in advance for your understanding, as we work through this time together.

Your sincerely,

Rob Moore
