

Sproul Jr. High

Athletic Department

Sproul Spartan Community,

Given the uncertainty during these times surrounding athletics; we want to ensure that all of our student-athletes at Sproul have the opportunity to participate in sports when we are able to get back on the field or court. First and foremost the health and safety of our student-athletes and coaches will always remain our top priority and we will abide by all necessary precautions/protocols set forth by the El Paso County Health Department, CHASS (Colorado High School Activities Association), and CDC.

As we all know, extracurricular activities for students play a pivotal role within our school. We have a very proud athletic tradition, and will continue our work in competing within the South Metro League and winning championships. Below (page 2) you will find the outline for conducting physicals, which will take place tomorrow, August 5th beginning at 5:00 PM with 8th grade first.

If you as a parent/guardian feel more comfortable with your student seeing their primary care doctor please do so. I will say that the Widefield School District #3 physical paperwork will still need to be filled out and returned prior to the beginning of our athletic season with the physical paperwork given by your primary doctor.

Any additional information regarding the upcoming season will be communicated appropriately to our community. Sproul Jr. High along with the rest of the South Metro League has and will follow the guidelines for participation as outlined by CHSAA.

Thank you for your continued support of Sproul Jr. High

Michael Felice

Dean of Students/Athletic Director

Guidelines/Expectations:

- Masks will be required by staff, students, and parents while on school property.
- Students will be required to have a brief 5-question health screening prior to getting a physical.
 - Student-Athletes will be health screened outside in the quad before entering the building. A separate area will be used for screening purposes to maintain confidentiality.
 - Parents will not be permitted to enter the building. If a parent(s) wishes to come into the building then they too will have to be screened prior to entry into the facility.
 - This screening was established by CHSAA (Colorado High School Activities Association) to address symptoms of Covid-19.
 - Through this screening process, a “yes” to two or more questions and the individual(s) may not participate in receiving a physical.
- Social distancing precautions will be taken. Designated markers will be placed on the ground in order to maintain 6ft. of separation.
- Physical packets will be available and must be signed by the parent/guardian and turned in to the designated table.
 - Please bring your own pen in order to fill out the packet
 - If you do not have a pen there will be a limited number, however for sanitary purposes if you could please bring your own pen please do so.
- Once the physical is completed, please leave school grounds as to limit the number of people on campus.
- Please come at your designated grade level time.
- Sports schedules will NOT be available at this time.

We sincerely appreciate all of your support as we navigate these challenging times. Please respect the guidelines above as we wish for this process to go as smoothly as possible for all involved. Our priority is to always keep the health and safety of the Sproul community as our focus. Thank you again! GO SPARTANS!!
