Revised: January 22, 2018

Reviewed: July 20, 2020

I. PURPOSE

The ROCORI School District will develop and maintain an Emergency and Crisis Management Plan to identify procedures and processes for response to emergency or crisis situations.

II. GENERAL STATEMENT OF POLICY

- A. The plan will be developed through administrative, district and building level planning processes for annual update and review.
- B. Administrative staff will report significant information related to the Emergency and Crisis Management Plan to the School Board as appropriate.
- C. The Emergency and Crisis Management Plan will delineate the district responses to various emergency or crisis situations.
- D. The plan will provide guidance to leaders and individuals responding to different emergencies as well as define the anticipated actions and activities of students and staff.
- E. The plan will include response strategies, offer sample communications information, reflect statutory requirements, indicate evacuation procedures, identify safe evacuation locations, and appropriate steps to follow in an emergency situation.

III. IMPLEMENTATION AND MONITORING

- A. The Emergency and Crisis Management Plan will serve as the district guide to emergency situations.
