Welcome to a new year at Saint Mary's School!

We hope your family had a wonderful summer. We look forward to welcoming you back to campus for the start of the academic year.

This year's Parent Annual Fund Campaign has set a goal of 100% giving participation by June 30, 2021. The Annual Fund helps raise critical dollars to fund a variety of programs not covered by Saint Mary's tuition revenue or endowment. Gifts of any size make a difference on our campus! There are several ways you can be involved with the campaign including making a gift to the Annual Fund, volunteering with the Annual Fund Parent Committee, and talking about Saint Mary's in your community.

If you would like to make your Annual Fund gift, please [click here](#) or log into the Parent Portal and click on the "Make a Gift" button anytime. If you have any questions or are interested in volunteering with the Annual Fund Parent Committee, please contact Chelsea Ward '09, Development Officer and Parent Liaison at 919-424-4109 or cward@sms.edu.

Be sure to watch for email invitations to our upcoming virtual parent events hosted by the Development and Alumnae Office. More info soon!
