A Fully Accredited, Missouri A+ School District...

Dear Center School District Community,

We want to thank you for your support and partnership as we prepare for the upcoming school year. With the rapidly changing developments regarding COVID-19, our leadership team has been focused on prioritizing rigorous academic offerings as well as the safety and well-being of our staff, students and community.

The Center School District Board of Education approved the CENTERed on Learning Re-Entry Plan on Monday, July 27. The plan includes three phases. The District will begin with Phase 1, a virtual start to the 2020-2021 Academic year on Wednesday, August 26, 2020 for the majority of students. Phase 1 also includes Virtual Plus in-person support for our diverse learning groups. Face-to-face support for the diverse learning groups will begin Tuesday, September 8, 2020.

We promised to release the document with more details today, August 4, 2020. Please read through the document that includes sample schedules, tools for success and health and safety measures. We understand there are still more preparations needed to fully operationalize the plan. We will continue to work through next steps and provide more details as we get closer to the first day of school and the first day of in-person support.
