

Sample Secondary Parkland Online Schedule

Secondary students have more flexibility in their day and will see a combination of asynchronous and synchronous learning. Parkland secondary teachers have face to face classes and some virtual classes; this may limit the time available for synchronous learning. Each secondary teacher will determine how to use synchronous and asynchronous instruction for their course. Office hours and times for synchronous meetings will be communicated in advance.

Time*	Class	Learning Activities
7:30 – 7:40 AM	Advisory	Gather chrome book and all materials needed for home/ online instruction
7:40 – 8:24 AM	Period 1	Access your teacher’s Schoology page for period 1 instruction and independent work/ application of concepts OR connect with your teacher synchronously, if requested
