

Our Community Partnership

Mitigating the risk of the spread of the virus and maintaining a safe environment inside the school relies on all of us to do our part outside the school. Our partnership with you has never been more critical as we navigate a global pandemic.

Our work together will control transmission, sustain our on-campus learning experience, and do our part to protect those most vulnerable to COVID-19. We request that all families returning to campus commit to these responsibilities.

Be patient at arrivals when we are checking temperatures and allowing for entry at a safe distance between students.
