

Hunters Creek Elementary School

Virtual Update – April 29th, 2020

Hunters Creek Elementary School

Welcome to a “virtual update” on the Hunters Creek Elementary School Replacement Project.

The District would like to take this opportunity to provide our PAT members an update on the ongoing construction activities at the Hunters Creek Elementary Replacement Project.

We hope that the following images will get you even more excited about the new Hunters Creek Elementary School which is the District’s first elementary replacement project in the 2017 Bond Program.

New Building Pad

Tree Protection

Hunters Creek Elementary School

As you see progress is being made and soon the foundation will be installed and structural steel will be erected. Prior to structural steel being erected, the District would like to take this opportunity to review the front entry of the new Hunters Creek Elementary School.

While presenting the overall design of the new Hunters Creek Elementary School at a past Board of Trustees' Workshop, some of our Board Members felt that the images (see slide #6) provided to the PAT Members to vote on the height of the front entry may not have equally or successfully portrayed the two options.

Therefore, we are providing two new images (see slide #7) equally portraying the two options on the height of the front entry for the Hunters Creek Elementary School PAT Members to review and vote on.

Please note this is being accomplished to assure that the District is providing its PAT Members with the best images possible.

PREVIOUS FRONT ENTRY OPTIONS

OPTION A

OPTION B

Note: These are the two images previously provided for our PAT Members to vote on the height of the front entry.

REVISED FRONT ENTRY OPTIONS

OPTION A

OPTION B

Note: These are the two new images being provided for our PAT Members to vote on the height of the front entry.

Thank you for your input and continued support of the Hunters Creek Elementary School Replacement Project.

Please submit your vote by May 6th, 2020

The District is excited about the progress being made on the Hunters Creek Elementary School Replacement Project, most importantly, we hope that you and your family are safe and doing well during these unprecedented times.
