

# Hunters Creek Elementary School

Virtual Update – May 22, 2020

# Hunters Creek Elementary School

Welcome to the continual “virtual update” on the Hunters Creek Elementary School Replacement Project.

The District is again taking this opportunity to provide our PAT members an update on the ongoing construction activities at the Hunters Creek Elementary Replacement Project.

The District is excited about the progress being made on the Hunters Creek Elementary School Replacement Project, we hope you are just as excited.
