

CANVAS

Adding a Student to an Existing Account

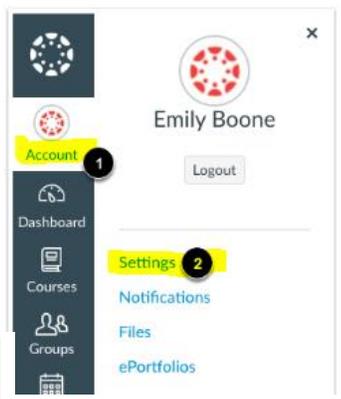

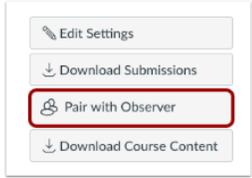

Canvas Parent Instructions:

Go to <https://maryville-schools.instructure.com/login/canvas>

Step 1: Your child has to first login to Canvas and create a Pairing Code for you.

- Student logs in to Canvas.
- Click on Account.
- Click on Settings.
- Click on “Pair with Observer.”
- Copy the six-digit alphanumeric pairing code. You will need this code to add this student to your parent account. (The pairing code will expire after 24 hours or its first use.)
- Click OK.

From your child’s account

Step 2: Login into Canvas with your parent account and add the new student.

- Parent logs into Canvas.
- Click on Account.
- Click on Settings.
- Click on Observing.
- Type in the Student Pairing Code and click Add Student.

From your parent account
