

Policy Type:	Executive Limitations
Policy Title:	2.3 Treatment of Parents

The Superintendent shall not allow a culture or district practice that fails to proactively engage parents of district students in a respectful partnership that supports the successful education of their child. Furthermore, the Superintendent shall not:

- 2.3.1 Impede the flow of timely, adequate, and easily accessible information about the district in general and their child, in particular.
- 2.3.2 Allow an environment where concerns or inquiries directed to the Superintendent are not acknowledged and subsequently handled by the district in a timely, respectful manner.
- 2.3.3 Set school policies or make major decisions without appropriate input and representation from district parents.
