

Firebirds,

With the 2020-2021 school year **starting remotely this year**, our annual Firebird Fiesta process will look different from previous years. This year, it will take place over four days (8/10, 8/11, 8/12 and 8/13).

Students are to arrive, **with masks (and last year's ID card just in case)**, and will start the Fiesta on **the north/football stadium side of the gym**. Students will visit three stations:

1st Station: Students will lineup for their school photo, which will be taken inside the gym. FHS staff will monitor students so that they are distancing in line, and only entering the gym when it is safe to do so. Once students have their photo taken, they will exit on the opposite side, and turn right for Station #2.

2nd Station: Students will pick up a hard copy of their class schedules and temporary ID **on the side of the small gym**. Students were able to view their schedules last week, but changes may have been made since then. There will be no guidance counselors on campus for schedule changes. Once students receive their schedules they will head to the main entrance of the library to receive supplies and books.

3rd Station: Students will line up and distance themselves as they prepare to receive books and supplies from the main entrance of the library. Please be patient as we have not checked out books to this many students! Students will check out books and then immediately leave campus down the hallway towards the student parking lot.

Please arrive on campus during your assigned times (with mask!) so that we can best accommodate the number of students we anticipate arriving on campus.

Thank you,
Andy Walczak
