Dear DWS Parent,

I am so pleased to share that I will be serving as the Deerfield-Windsor School Nurse. Previously a nurse at St. Mary's Hospital, as well as Albany Internal Medicine, I am prepared to be a clinical resource for you and your child. Our family has been a part of the DWS community for over 15 years, and I have a deep love and appreciation for our school. My husband, Russell, and I are proud parents of three Knights- Ansley ('19), Will ('22) and Lilia ('32). I look forward to being a resource for you and your children in the 2020-2021 academic year.

During these challenging times, it is more important than ever to operate within safe guidelines, and I am here to help keep our school community healthy, informed, and as safe as possible. I will be serving both the Lower Campus as well as the Middle/Upper Campus Monday through Friday from 8 am- noon, and I can be reached by calling 229-435-1301 x 255 or by emailing lynn.gray@deerfieldwindsor.com.

To achieve a smooth start to our year, it is critically important that you and I have timely and transparent conversations regarding Covid-19 exposure and of course, I am here to help answer any questions. Beginning today, I am your first source for school absences related to Covid-19 circumstances. To effectively manage both campuses, I request that you please email your questions and/or exposure circumstance to lynn.gray@deerfieldwindsor.com with the following information:

Your name and your child's name and grade
Your exposure circumstance
Timeframe of exposure
Timeline of symptoms
Contact phone number to return your inquiry/exposure circumstance

(*Emails and phone calls will be returned daily)

I am in partnership with you to help keep us all as safe and healthy as possible! Wishing you all a safe and successful school year!

Sincerely,

Lynn Gray, LPN
DWS School Nurse
