

GATOR PLEDGE

At the start of our school orientation meetings, faculty, staff, students and parents will be asked and expected to take our Gator Pledge, an oath to be a truly great N-8 school in this community.

At RCDS, we commit to providing students from all walks of life with a dynamic and challenging academic experience in a supportive environment.

When we resume learning in-person, our actions – both on and off campus – will directly affect the health and well-being of our entire RCDS family. Thus, in true Gator spirit, I pledge to do the following:

- ✓ I will follow the directions of RCDS' leadership regarding testing, screening, and quarantine (if necessary).
- ✓ I will self-monitor for COVID-19 symptoms, and complete daily health screenings honestly and accurately.
- ✓ I will wear a mask/face covering at all times when in public places on campus and during in-person instruction.
- ✓ I will wash my hands frequently and thoroughly (for at least 20 seconds), especially after contact with surfaces and items in public areas; before and after eating; after coughing, sneezing, or wiping my nose.
- ✓ I will act in the spirit of being Kind, Honest, Responsible, and Respectful, both on and off campus. I know that by following the safety and hygiene measures established by RCDS, I am helping to protect other Gators and myself from illness.

Sign here

Students must sign the Pledge as a condition of being welcomed back to in-person learning. If, once in-person learning resumes, a student is not acting in accord with the Pledge, they may forfeit the privilege of attending in-person instruction and instead be required to participate only through remote learning for a period of time determined by the School.
