

**Middle School Orientation  
2020-2021 On-Campus Orientation  
Wednesday, August 19 – Friday, August 21**

*As we prepare to return to school during these unprecedented circumstances, all families and faculty/staff are encouraged to limit exposures (and travel) for two weeks prior to school opening.*

. . . . .

**All required forms must be completed and uploaded to Magnus Health prior to student's return to school.**

. . . . .

**Students should bring a face mask, their charged MacBook and school supplies, a water bottle\*, and snack to their orientation sessions.**

**Wednesday, August 19, 2020 9:00 am**

**Middle School New Family Zoom Q & A (Optional)**

The middle school admin team look forward to welcoming parents and answering questions about the school year. Parents will also be introduced to a library of orientation videos.

**Thursday, August 20, 2020 8:15 am - 12:00 pm**

**All 6th Grade Students & Newly Enrolled 7th and 8th Grade Students**

This day is planned for all incoming CDS middle school (MS) students; this includes ALL 6th graders and all 7th and 8th graders new to CDS middle school. Students should bring their charged MacBook and school supplies, a water bottle\*, and snack. Students will get to know each other and their teachers as they:

- are introduced to middle school policies and procedures
- receive their class schedules
- rotate through their classes

The morning will end with a socially distanced Kona Ice Welcome!

**Friday, August 21, 2020 8:15 am – 12:00 pm**

**All MS Students**

Students will report directly to their advisory by 8:15 am. Returning students will receive their schedules. Students will get to welcome the new students and meet their teachers as they rotate through their class schedule. Students should bring their charged MacBook and school supplies, a water bottle\*, and snack.

**Monday, August 24, 2020 8:15 am - 3:00 pm**

**First day of school for the new academic year.** Students will turn in their summer assignments for math and reading. Bring your charged MacBooks, a snack, a water bottle\*, and lunch\*\*.

\* The water fountains are all turned off; however, the bottle fillers can still be used.

\*\* For those who would like to purchase lunches at school, information will be sent later in the summer with menus and instructions on how to order.
