

Blazer Health and Safety Covenant

HB's strong sisterhood is grounded in the trust, value, support, and respect we have for one another. It is with this in mind that we have designated the following specific health and safety principles, expectations, and policies that we will follow, together, as a community.

- I recognize that I am part of an interdependent community, and that the actions of each member, mine included, can impact the welfare of all.
- I will do my part to help limit the spread of COVID-19 by making my own health and safety and that of other HB community members a priority.
- I will abide by all school policies, rules, and expectations, and will encourage fellow members of the community to do the same.
- The school in its sole discretion can adopt, amend, or change policies it believes will protect the health of the community, and I understand that failure to adhere to these policies, including the proper wearing of masks, may result in removal from campus and/or disciplinary sanctions.
- I will abide by policies regarding social distancing and consistent mask-wearing.
- I will follow and practice community hygiene protocols for handwashing, sanitization, and surface cleaning.
- Every day I come to campus, I will arrive symptom-free. If I have any symptoms, or am sick, I will stay home and take steps to not spread disease. I will be truthful in reporting my symptoms to the school.
- I will notify the school of any COVID-19 symptoms I experience or someone in my immediate family experiences.
- If I test positive for COVID-19 and am required to isolate, or I learn that I have come into close contact with someone who has tested positive for or has symptoms of COVID-19 and am required to quarantine, I will follow Board of Health instructions and notify the school.
