NHCS_Personal Chromebook Instructions.

*** Prepared using Version 89.0.4389.95 (Official Build) (64-bit). Your device may vary ***

While you are logged into your Chromebook select your Wi-Fi indicator in the bottom right corner.

Select the Network Connections list

Select "Join_NHCS_Personal".

Once connected you will see a dialogue box appear that prompts you to visit a login page. Click within the dialogue box and the portal page will open.

Please use the same username and password you use to log into a NHCS computer. Click **Sign On**
