Parent/Guardians may choose among the following options for ensuring their student has a device for accessing the curriculum, resources, and assessments:

1. Parent/Guardian can allow the student to check out a school-provided device and enroll in the **Discretionary Insurance for Device Protection Plan** which requires a \$25 non-refundable fee. A \$15 fee will be assessed per incident. **Discretionary Insurance for Device Protection Plan** may not be purchased after damage has occurred, or beyond the first term of the school year. This can be paid under "optional fees" in myDSD.
2. Parent/Guardian can allow the student to check out a district-provided device and **not** enroll in the **Discretionary Insurance for Device Protection Plan**. Parent/Guardian will assume full financial responsibility for the school-issued mobile device.
