

St. Anne's-Belfield School

HEALTH, WELLNESS, AND CITIZENSHIP CODE

The 2020–2021 academic year at St. Anne's-Belfield will be governed by two guiding principles: 1) Safety and well-being of our students, faculty, and staff; 2) Academic excellence and the ongoing nourishment of our community. In accordance with these principles, it is essential that all members of our community adhere to common norms and expectations, whether on campus or at home. More than ever, each of us is beholden to one another in our community and at all times we must be aware that our actions directly impact the health and well-being of those around us. Circumstances demand that we be mindful of the needs of others in all of our choices and actions. Together we are responsible for creating a safe and comfortable environment in which we can learn and thrive as individuals and a community.

Health, Wellness, and Citizenship Pledge

I will abide by all policies, norms, and expectations to ensure the health and wellbeing of myself, my family, and my school community when on campus and/or engaged in at home learning.

On campus, I will abide by all safety measures for keeping myself, my peers, and the teachers and staff of St. Anne's-Belfield School healthy.

On campus, I will wear a face covering at all times indoors, maintain at least 6' of separation between myself and others whether indoors or outside, and wash and sanitize my hands frequently.

I will stay home when I exhibit symptoms of illness. If I or someone I am in close contact with outside of school exhibits symptoms of COVID-19, I will contact the School immediately.

Whether learning on campus or at home, I will abide by all norms and expectations for healthy and respectful online behavior as laid out in our technological use policies and our online learning policies.

When learning at home, I will work at a designated workspace, dress for class in clothing appropriate for on-campus learning, use online platforms for purposes only related to the classroom, and behave at all times as if I were on campus in a physical classroom environment.

I understand that violations of this pledge could result in disciplinary action. St. Anne's-Belfield takes seriously any and all behavior that jeopardizes the health and safety of others in our community.
