F. BOARD FORUM – Mullin - I just want to start off by saying that, I know that it's July and that it's summer and there are still a lot of things going on and I just appreciate everybody's patience with the technology piece and I just want to just say, thank you very much for your patience. **Newmaster** -I would just like to give my frequent comments when I see people I know that have retired or are retiring and I missed Joe Christianson's name in the June list and I just want to acknowledge the retirement of a solid, awesome American History, social studies teacher that I worked with for 20 plus years at North Campus. I'm sure his students will remember the lessons he taught for many more decades. I also want to acknowledge Ann Malwitz, who I just saw is retiring after 30 years of doing a good job of shaking us up and giving us new ideas and thinking up all kinds of professional development paths for us to follow and burrow through. So thank you,

Ann, and congratulations to all the other hard working people on the list. **Ellison** - We have a great relationship with Equity Alliance and I want to just highlight the fact that they've updated their website and have joined Twitter. So it's a really beautiful look for them and they're ready to do some really good work. So it's equityalliancemn.org, and then on Twitter, they are at Equity MN. The other thing I wanted to highlight really quickly is that White Bear has a reputation for being a really excellent History Day district, and History Day took place virtually this year. We had two Bears place at nationals, one Sunrise student took second and the other Sunrise student took sixth. I'm really proud of what all our students did.
