

St. Anne's-Belfield School

MIDDLE SCHOOL HEALTH, WELLNESS, AND CITIZENSHIP CODE 2020-21

The 2020–2021 academic year at St. Anne's-Belfield will be governed by two guiding principles:

1. The safety and well-being of our students, faculty, and staff;
2. Academic excellence and the continuity of our school community. In accordance with these principles, it is essential that all members of our community adhere to common expectations, whether on or off campus.

More than ever, each of us is beholden to one another in our community and at all times we must be aware that our actions directly impact the health and well-being of those around us. We must be mindful of the needs of others in our choices and actions. Together we are responsible for creating a safe environment in which we can learn and thrive as individuals and a community.

Health, Wellness, and Citizenship Pledge

On campus, I will abide by all safety measures for keeping myself, my peers, and my teachers healthy.

On campus, I will wear a face covering indoors, maintain at least 6' of separation between myself and others whether indoors or outside, and wash and sanitize my hands frequently.

I will stay home when I exhibit symptoms of illness.

When learning online, I will abide by all norms and expectations for healthy and respectful online behavior.
