OF NOTE

Each cohort will be on campus the first week of school for two days. There will be no instruction August 26.

The alternating schedule has been adjusted for November to balance on campus time between cohorts.

This cohort calendar represents the schedule if Grades 1–12 remain in a hybrid/cohort learning model throughout the school year. The color indicates the cohort that will be on campus each week. As scheduled, the Red Cohort has more on-campus days. We expect, however, that the school may enter into a full distance learning mode at some point and we have also built in extra days on the calendar. Therefore, the number of days on campus for each cohort should not be a primary concern at this point.
