FRIENDS

OF THE LION

2020-2021 FUNDRAISING CAMPAIGN

THE PTO DEPENDS ON YOUR SUPPORT

Your once per year donation to our Friends of the Lion campaign supports PTO programs for the entire year and eliminates the need for door-to-door selling. The unprecedented occurrence of a global pandemic presents unique challenges to our families and school community. Our campaign looks different this year because of these challenges. However, we still have the opportunity to support our students, teachers, and staff in various capacities. This year, your generous financial support enables the PTO to:

- Provide classroom and teacher support funds, particularly in these unique times where creative classroom support may be needed.
- Support our teachers and staff through appreciation events and professional development.
- Fund a variety of student activities and clubs.
- Provide any needed support to maintain a clean and safe school.
- Maintain an online directory of WBE family contact information.
- And more!
