

Opening Weeks of School Schedule for Students

The school year will begin with staggered orientation days, by class year, starting on August 17th. Sessions that occur during the scheduled timeframes for each orientation day will be divided into smaller groups of students to provide for social and physical distancing. The first official day of classes for all students is Friday, August 21st. Please be aware that the school will be closely monitoring the newly established health and safety protocols as they are enacted for the first time and will assess any needed changes.
