

Dear Families -

The Haldane Central School District is collecting student-specific information to assist with our planning for the reopening of schools in September. The survey takes approximately 5 minutes to complete and will remain open until August 17, 2020.

***Please complete the survey for each of your children. Your responses will be kept confidential, and we will use this information to verify your intentions at a later date.***

Prior to completing this survey, please refer to the [Reopening Plan presented](#) to the Board of Education on Thursday, August 6 and the full [Reopening Plan document](#).

**Option #1 - Outlined in the Haldane Reopening Plan**

Students in Kindergarten through Grade 8 will follow the In-Person Learning model and will attend classes on campus every day.

High school students will be divided into two cohorts and will follow the Hybrid Learning model. Students will follow a continuous rotation of 2 in-person instruction days followed by 2 days of remote instruction.

--OR--

**Option #2 - Full-time Online Learning from Home**

This option will include virtual support from Haldane with limited student-teacher interaction, and will require increased support and direction from the parent/guardian. Additional details will be provided in the coming weeks. We anticipate that families who commit to this option will have to do so for a minimum of a 10-week period.

**[Take the Haldane Reopening Family Survey](#)**

Sincerely,  
Phil Benante, Ed. D.  
Superintendent of Schools
