

Pre-School Drop Off Locations

Group A - yellow drop off - Parents of students in Group A will take a left immediately AFTER the marquee for student drop off. After you have dropped off your child, please proceed with caution as you will need to cross Group B traffic to make your way around the Pre-School to exit.

Group B - red drop off - Parents of students in Group B will proceed on the school road, but will stay to the left side. Please STOP at the "X" to allow for Group A to exit. Once clear, group B parents may proceed to Group B drop off point.

Group C - purple drop off - Parents of students in Group C will proceed on the school road and stay to the right. Please proceed with caution as Group A cars will be exiting their drop off point. Once passed the Group B drop off point, please move to the left for your drop off location.

Parents may NOT park along the road on the right hand side to maintain the flow of traffic for other Pre-School and Middle School families.
