

THE WARRIOR WAY FRAMEWORK

This framework is our guide for how we equip and empower our students to live out the Warrior Way and ultimately become life-ready leaders who will positively impact the world for Christ.

Liberty provides a holistic college preparatory education in a nurturing, Christ-centered environment.

Liberty is a leading, Christ-centered college preparatory school that inspires and equips leaders to impact the world for Christ.

In partnership with parents, Liberty recognizes and develops the unique characteristics of individual students through rich academic, co-curricular, and spiritual life programs to prepare them to fulfill God's purpose for their lives.

MISSION VISION

HOW

Spiritual Life Philosophy

At Liberty Christian School, we strive to guide our students on the path that God has for them by encouraging and supporting their faith in and out of the classroom. With a serving spirit, Liberty Christian educates and raises up children to see the world – not as it is but as it could be – when the love of God is lived out in their daily lives.

Our goal at Liberty is to provide a **biblical foundation**, recognizing the importance of the local church and parent partnerships that enable students to understand who they are in Christ, always prepared to give an answer when asked, "Why Jesus?" We encourage servant leadership because we believe the best leaders are dedicated servants.

Expected Student Outcomes

- **Recognize God as their ultimate source of truth**
- **Stand firm in their faith**
- **Understand that their identity is in Christ**
- **Build community by valuing others above themselves**
- **Serve others locally and globally**

Academic Philosophy

At Liberty Christian, we take a student-centered approach to provide holistic, authentic learning experiences. All classes are taught with a **biblical worldview**, helping students make connections between learning targets and **God's Truth**. Our classes allow students to apply their growing knowledge in meaningful activities and assignments that have relevance beyond the classroom. Because we recognize our youth are living in a digital world, students are provided guidance and lessons to successfully navigate the digital landscape with **Christ-like** character and discernment. By focusing on social and emotional intelligence and reflective practices, students are self-aware and able to successfully learn and serve alongside others.

Expected Student Outcomes

- **Disciplined innovator**
- **Divergent thinker**
- **Creative problem solver**
- **Collaborative servant leader**

Co-Curricular Philosophy

Students who participate in co-curricular programs and activities in fine arts and athletics will enrich their social and cultural experiences, developing their skills and fostering their **God-given gifts**. Our goal is that graduates will embrace the importance of lifelong mental and physical wellness, connecting and correlating their unique abilities to everyday life.

Expected Student Outcomes

- **Develop and display God-given gifts**
- **Embrace teamwork**
- **Demonstrate leadership with conviction and humility**
- **Create a love for lifelong mental and physical wellness**
- **Display creativity in college, career, and extracurricular pursuits**

It is our promise to empower students to embrace the **Warrior Way** so they can be their best selves to the world by living out the following creed:

- I believe that God has given us a purpose and a place in His grand design. Therefore, I believe that to find my purpose, I must embrace **God's Truth**.
- I believe in striving for **excellence** to bring glory to God.
- I believe that the best leaders have servant hearts.
- I demonstrate **leadership** by helping others find their place in God's plan.
- I value **scholarship** because with the knowledge I gain, I can best serve the kingdom of God.
- I believe to be a positive force in the world, I must exhibit **Christ-like character**.
- I believe in pursuing **service** because God calls us all to humbly serve one another with love.
- I believe in building a **community** through discipleship because God calls us all to go out into the world and share His love.
- This is the **Warrior Way**, and I believe living this out is my purpose, and Liberty Christian is where God has placed me to best serve Him and my community.

**At Liberty, we believe students aren't just students.
They are a mind, body, and soul capable of marvelous achievements.**
