

At Home Learning Pledge

I understand that as a Bolles student, I must hold myself to the highest standards and therefore acknowledge that the following expectations are required of me when learning at home:

- I will follow a consistent daily routine.
- I will utilize a space in my home at a table or desk where I can sit during class. This space will be free from distractions and have a reliable internet connection.
- I will adhere to the expectations and policies outlined by my teachers.
- I will turn my camera on unless otherwise directed by my teacher.
- I will follow the Bolles altered prescribed dress code.
- I will log in on time for each class and understand that while learning from home, I am expected to attend classes unless illness prevents me from doing so.
- I will commit to abiding by the Bolles School Honor Code, and pledge to uphold the highest standard of academic honesty.
- I will strive to participate in each class either verbally or through written comments because I understand that my participation is important for my teachers to be able to gauge my understanding of content.
- I will allow myself and others some grace during stressful times because I know that we are all doing the best we can given the unusual circumstances.
- I will commit to letting my teacher, one of the counselors, my advisor, my parents or another support person know when or if things become overwhelming.
