

Summer 2020 Extraordinary Results and Appeals process

Information for Centre

Results and Appeals

Centre assessment grades and rank orders

Clifton High School:

- will not divulge provisional (centre assessment) grades, nor rank orders, to candidates or parents before the issue of results
- understands that any inappropriate disclosure of centre assessment grades and rank order information before the issue of results will be investigated by awarding bodies as potential malpractice
- will report centre assessment grades, rankings and evidenced used, to support those grades, to candidates on results day together with other examination related literature in the results envelope

Final grades

Clifton High School will:

- issue results in accordance with the JCQ and CiE regulations
- signpost candidates (and parents) to information provided by the awarding bodies, JCQ and Ofqual at the time final grades are issued to support their understanding of the grades awarded

Arrangements for results day(s)

Clifton High School will:

- organise results day(s) and inform candidates of the arrangements in place for the collection of/access to their results
- ensure senior members of centre staff are available/accessible to candidates with whom a result/results may be discussed
- prepare information for candidates showing their options if they have concerns about their results
- signpost candidates to relevant Ofqual and/or awarding body information that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal

Arrangements for appeals

Clifton High School will:

- follow information provided by awarding bodies to determine the grounds on which an appeal can be made on behalf of a candidate, or candidates
- make candidates aware of the arrangements in place for appeals prior to the issue of results by publishing this policy on the school website and providing a copy on request (all candidates have previously been advised where all examination policies can be found during the Autumn Term examinations briefing).
- provide candidates with a statement of the arrangements promptly when requested
- seek any information the awarding body holds in relation to how final grades were calculated if there is a concern about any results
- submit an appeal to the awarding body on behalf of a candidate or candidates where it is believed:
 - the centre itself made an error when submitting centre assessment grade or rank order information to the awarding body and has supporting evidence that confirms an error was made (and will submit its supporting

evidence at the earliest stage and explain why data which the Head of Centre declared to be accurate is now considered incorrect)

- the awarding body made a mistake in the operation of the standardisation model where the wrong data was used to calculate results
- the awarding body made an administrative error in the issuing of results
- collect consent from a candidate before any appeal is submitted to the awarding body.

Internal appeals procedure

Clifton High School will provide a process for a candidate to appeal against any decision the centre may make:

- not to seek from the awarding body any information the awarding body holds that would be needed for an appeal; and/or
- not to appeal to the awarding body

How centre assessment grades and rank orders were determined

To respond to any queries, challenges or internal appeals from a candidate (or their parent/carer) Clifton High School will provide records detailing:

- the process deployed for each subject in calculating centre assessment grades and ranking of all candidates within each grade (or within the cohort where this was required by a particular qualification type)
- the support given to any newly qualified teachers in grading and ranking candidates
- a summary of the evidence and data used to make objective and professional judgements
- the standardisation process where a cohort was taught across several teachers in a subject area
- how any conflicts of interest were managed
- the review and check for accuracy undertaken as part of the internal sign-off process for each subject
- confirmation of the process for head of centre sign-off and submission of the declaration to awarding bodies

Information for Candidates

Results, Appeals and Certificates

Centre assessment grades and rank orders

Clifton High School has submitted provisional (centre assessment) grade(s) and rank order(s) to the relevant awarding body in accordance with the Ofqual guidance¹ on *Awarding qualifications in summer 2020* and in line with the awarding body instructions.

¹ <https://www.gov.uk/government/publications/awarding-qualifications-in-summer-2020>

For the reason of fairness, awarding bodies are putting these grades through a standardisation process to ensure grading standards are consistent across all centres. The rank order of candidates will not be changed but the final grades candidates receive may be different to the centre assessment grade.

Final grades

On candidate statements of results (results slips) and certificates, final grades will be reported in the same way as in previous years.

Final grades will be issued on results day(s) in August as follows:

Date	Time	Qualification type
13/08/2020	From 8am	GCE (AS, A Levels) and other Level 3 qualifications
20/08/2020	From 9am	GCSE and other Level 1/2 qualifications

Arrangements for results day(s)

Results can be collected and/or candidates will be given access to their results via the school portal (and by email on request). In line with social distancing and safety measures candidates will be informed how and when to collect their results. With consideration of distancing and personal circumstances some staff will be available/accessible with whom a result/results may be discussed. Please follow all instructions and details given so all remain safe on results day(s)

Concerns about your results

At results time, Ofqual will be providing information for candidates that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal. The *National Careers Service Exam Results Helpline*² offers advice each year for candidates who have not received the results they had hoped for. Ofqual will also make a helpline available to candidates and their parents or carers to talk about the appeals process and any other questions they may have about their results this summer.

Awarding bodies will also likely provide information for candidates about results. Clifton High School will direct you to any relevant information at results time.

If you have a concern about a grade you have been awarded, you can ask the Head of Department, Dr Mark Caddy, Deputy Head of School or Examinations Support to:

- check whether an error was made when submitting your centre assessment grade and rank order to the awarding body
- raise a complaint with Examinations Support and Dr Caddy if you feel you have evidence of bias or that you were discriminated against; you could also pass such evidence on to the awarding body who could investigate for potential malpractice
- seek any information the awarding body holds in relation to how your final grade was calculated
- provide information about the opportunity to take an examination in the autumn series or in summer 2021

Arrangements for appeals

The arrangements for awarding qualifications in summer 2020 state:

Candidates can appeal their grades through their centre if they feel the process this summer was not followed correctly in their case.

A candidate can:

- ask their centre to appeal on their behalf to an awarding body if there is evidence that leads a candidate to believe:
 - the centre made an error when submitting a centre assessment grade or rank order information
 - an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal against the centre's decision
- not to seek any information the awarding body holds that would be needed for an appeal; and/or
- not to appeal to the awarding body

A candidate **cannot**:

- appeal against their centre assessment grades and position in the rank order
- appeal in respect of the process or procedure used by Clifton High School in calculating your centre assessment grades and position in the rank order
- appeal directly in any respect to the awarding body (unless a private candidate)

Certificates

Certificates, when received from the awarding body, will be issued to candidates for collection in the first instance and then posted special delivery either by request or after the end of the Autumn Term.

Internal appeals procedure

Clifton High School will:

- inform candidates of the arrangements for appeals prior to the issue of results and the accessibility of senior members of centre staff immediately after the publication of results by publishing this document on the School website or on request on results day
- appeal to an awarding body on a candidate's behalf if it believes the centre itself made an error when submitting a centre assessment grade or rank order information or if it believes an awarding body made a mistake when calculating, assigning or communicating a grade
- ask the candidate to provide written informed consent (informed consent via candidate email is acceptable) before an appeal is submitted to the awarding body as the appeal could result in the final grade being lower than, higher than, or the same as the grade which was originally awarded
- only collect consent after the publication of results
- where relevant, advise an affected candidate to inform any third party (such as a university or college) that an appeal has been submitted to an awarding body

Clifton High School will not:

- seek any information the awarding body holds that would be needed for an appeal if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal to an awarding body on a candidate's behalf if it does not believe the centre itself made an error when submitting a centre assessment grade or rank order information or if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade

An internal appeal can be submitted to the centre where a candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision:

- not to seek any information the awarding body holds that would be needed for an appeal and/or
- not to appeal to the awarding body

An appeal should be submitted:

- in writing, using the attached form, by 4th September 2020
- The appellant will be informed of the outcome of the appeal before the deadline for appeals to the board

If the internal appeal is upheld by the centre, resulting in an appeal on the candidate's behalf being submitted to the awarding body:

- awarding body fees which may be charged for an appeal must be paid to the centre by the appellant before the appeal is submitted to the awarding body (fees are available from Examinations Support)
- if the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.
