

CREDO REFERENCE

Credo Reference can be an excellent place to begin your research, especially if it is more interdisciplinary in nature. It provides access to several good academic reference works in a single search interface.

Credo Reference may be found on the Research Tools page on the library's website.

Choose the **Databases** tab

⊖ Databases

Atla Religion Database with AtlaSerials PLUS

The Atla Religion Database is the premier resource for journal articles, book reviews, and collections of essays in all fields of religion with the largest collection of full text religion and theology journals. This database is produced by Atla, a membership association of collectors and connectors in religion and theology.

Biblical Archaeology Society Library

The Biblical Archaeology Society Library is a searchable collection of over 7,000 articles and 22,000 photographs, maps, diagrams, and drawings from BAS publications, including Biblical Archaeology Review (1975 to present), Bible Review (1985 to 2005 complete) and Archaeology Odyssey (1998 to 2006 complete), as well as video lectures on key issues in archaeology and the Bible and curated topical collections on selected subjects.

Credo Reference Online

Credo is an excellent place to begin when you are first learning about a topic. On this site, you will be able to search encyclopedias, dictionaries, and handbooks on topics ranging from Christianity to other

Note that when using library resources off-campus, you will be prompted to login for full access. Use your Austin Seminary credentials to login.

Background Information to Start Your Research

exodus

The results page comprises a list of articles drawn from various dictionaries and encyclopedias:

Exodus

From **Encyclopedia of World Religions: Encyclopedia of Judaism**

The term exodus refers to the mass liberation of Israelites from slavery in Egypt as recorded in the Torah and commemorated in the Pesach celebration. Exodus is also the title of the second book of the Tanakh, the Hebrew Bible, which describes this event. According to the biblical story, God called...

Exodus

From **A Biblical-Theological Introduction to the Old Testament: The Gospel Promised**

INTRODUCTION The book of Genesis ends with the Hebrew word **בְּסוּפָרְךָ**, which literally means "in Egypt." This, of course, provides the setting for the book of Exodus, and in reality, it is a foreboding comment because the Hebrews at the beginning of Exodus have been enslaved in Egypt for over four...

The results list also includes a mind map that may help you expand your search to other (possibly) relevant topics.

The screenshot shows a search results page for 'Exodus'. On the left, there are tabs for 'Articles' and 'Images', with 'Articles' selected. Below the tabs, it says '42 results' and 'All Types'. A dropdown menu for 'Subjects: 1' is open, showing 'All Collections', 'All Dates', and 'All Lengths'. The main content area shows the title 'Exodus' and a description: 'From Encyclopedia of World Religions: Encyclopedia of Judaism'. Below this, it says 'The term exodus refers to the mass liberation of Israelites from slavery in Egypt as recorded in the Torah and commemorated in the Pesach celebration. Exodus is also the title of the second book of the Tanakh, the Hebrew Bible, which describes this event. According to the biblical story, God called...'. At the bottom left, it says 'Save' and '404 words'. On the right, there is a mind map with 'Exodus' in the center. It is connected to several nodes: 'American military person...', 'Orson Welles', 'Alfred Hitchcock', 'Eva Marie Saint', 'Jewish history', 'Leon Uris', 'Paul Newman', and 'Orson Welles'.

The screenshot shows a search results page for 'Exodus' on the Credo Reference website. The header includes the Credo logo and the word 'Exodus'. Below the header, there are tabs for 'Articles' and 'Images', with 'Articles' selected. It shows '294 results' and 'All Types'. A dropdown menu for 'Subjects: 2' is open, showing a list of subjects with checkboxes and counts: 'Religion & Theology' (279), 'General Reference' (86), 'Arts & Leisure' (58), 'Language & Literature' (39), 'Social Sciences' (26), and 'History' (19). A blue callout box points to the 'Religion & Theology' checkbox with the text: 'You can refine your results, for example, by selecting a particular subject.' The main content area shows the title 'Exodus' and a description: 'From Encyclopedia of World Religions: Encyclopedia of Judaism'. Below this, it says 'The term exodus refers to the mass liberation of Israelites from slavery in Egypt as recorded in the Torah and commemorated in the Pesach celebration. Exodus is also the title of the second book of the Tanakh, the Hebrew Bible, which describes this event. According to the biblical story, God called...'. At the bottom left, it says 'Save' and '717 words'.

This can lead you to sources you might not have considered (or known about) otherwise:

The screenshot shows a search results page for 'Exodus 1-18: Did the Exodus Happen? Some Opinions'. The title is 'Exodus 1-18: Did the Exodus Happen? Some Opinions'. Below the title, it says 'From An Introduction to the Old Testament: Exploring Text, Approaches & Issues > The Torah'. The description reads: 'There are varying scholarly views about the historical factuality of the exodus, as there are with questions about the stories of Israel's ancestors. In 2007, Egyptian archaeologist Zahi Hawass commented, "There is no evidence of the exodus. It's a myth." Another archaeologist, Mohammed...'. At the bottom left, it says 'Save' and '717 words'. Below the description, there are 'Key concepts' listed in blue boxes: 'Israelites', 'Moses', 'Tabernacle', 'Canaan', and 'Sacred history'. The main content area shows the title 'EXODUS, DATE OF' and a description: 'From The IVP Bible Dictionary Series: Dictionary of the Old Testament: Pentateuch'. Below this, it says 'Exodus, Date of Exodus, Date of In this day and age of biblical scholarship the debate no longer rages whether or not there was any exodus of biblical proportions. In fact, the consensus that there was not has become firmly...'. On the right, there is a small table with columns for 'Date of Exodus', 'Date of In', and 'Date of Out'.

Click an article's title to see that article. Note that there are options for citing and printing articles, hearing the article read aloud, as well as a permalink to the page.

The screenshot shows the Infobase Credo Reference interface. At the top, there's a search bar with "exodus" entered. Below the search bar, there are navigation links like "Go Back to Results", "Save", "Citation", "Print", "Share", "Read Aloud", and "Translate". The "Print" button is highlighted, and a dropdown menu shows options: "Download PDF for Printing" and "Export to Google Drive". The article title is "Exodus 1–18: Did the Exodus Happen?" and it's from "An Introduction to the Old Testament: Exploring Text, Approaches & Issues". The article text discusses scholarly views on the historical factuality of the exodus, mentioning Zahi Hawass and Mohammed Abdel-Maqsood. On the right, there are "Related Searches" and "Related Articles" sections.

Articles are drawn from a scholarly reference works and provide valuable background and contextual information.

This screenshot is similar to the one above, but with a blue callout box pointing to the article text. The callout box contains the text: "This particular article also offers brief summaries of various scholars' positions, as reflected in the works noted". The article text is partially visible, showing the beginning of the paragraph about scholarly views on the exodus.

Many include cross-references and bibliographies to help you find additional sources on your topic.

This screenshot is similar to the one above, but with a blue callout box pointing to the article text. The callout box contains the text: "Articles are often cross-linked with other, possibly relevant content". The article text is partially visible, showing the beginning of the paragraph about scholarly views on the exodus.

The Israelites

From DK Eyewitness Books: Bible Lands

BY ABOUT 1150 B.C., the Egyptians had effectively withdrawn from Canaan, leaving a vacuum to be filled by the Israelites and the Philistines. For nearly 100 years they lived side by side, the Philistines on the coastal plain, the Israelites in the more barren hill country. But during the 11th...
