What are the key issues identified from the needs assessment?

- 1.) Declining student achievement based on MAP and MPI
- 2.) Target school status (Tier III) based on achievement of students that receive special services over the past 3 years
- 3.) K-6 general education teachers have a high turn over rate

What are the prioritized needs for the LEA or building based on a root cause analysis?

1.) Standards aligned lessons with appropriate scaffolds

2.) Professional development

3.) Effective implementation of the PLC model

	 Due to COVID-19, Faculty and administration will utilize virtual or online means to meet the needs of students' learning to ensure their readiness for each grade level. This may include distance learning, extended school year or further professional development. This may also require the purchase of training, materials and/or technology devices in order to carry out the learning and meet family's needs during this time of crisis.
