August 12, 2020

Ninth Grade Roosevelt High School Families:

## Welcome to Bear Country!

Welcome to Roosevelt High School. We are excited about our incoming freshmen class and look forward to providing a positive and successful experience. This will certainly be an unusual beginning of your high school journey, but our plan is to make it as safe, fun and productive as possible.

### **Chromebook/Student ID Pickup and Pictures**

Tuesday, August 25

Last name A-H 2:30-3:00pm

Last name I-P 3:00-3:30pm

Last name Q-Z 3:30-4:00pm

\*Students unable to make their scheduled time can show-up between 4:00-5:00pm

### **Safety Procedures for Pick Up**

Enter the front parking lot. Students will enter the west door (closest to train tracks) of the cafeteria. Students must wear masks. We will have student volunteers to direct the students for their safety. Once in the cafeteria the students will be directed to the photographers who will take their picture and provide them with their ID. They will then be given a Chromebook and will exit out the front doors of the high school. Students will social distance in and outside of the building. There will be no more than 10 people in the cafeteria at one time.

**Free and Reduced Meal Application** will be available during the chromebook pick up or you may go to [www.wyandotte.org/foodservice](http://www.wyandotte.org/foodservice).
