Courses Calendar Alerts

5. Enter your name, email, password, confirm password and student pairing code. Check the box that agrees to the terms of use and privacy policy after reading them. Click on Start Participating.

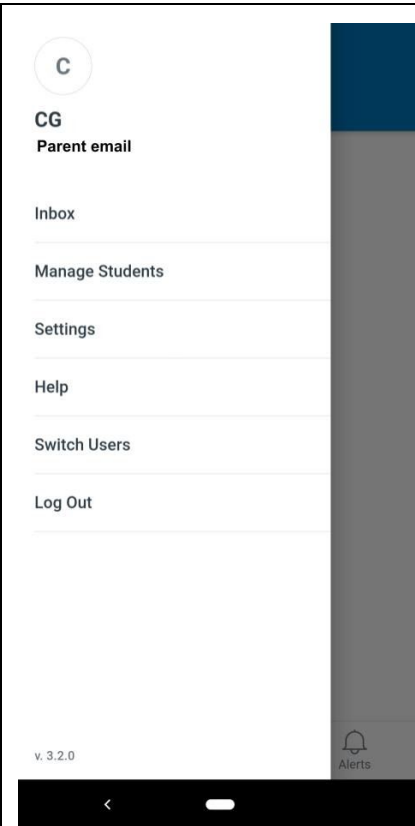

6. When logged in, you will see your child's Canvas information. There are 3 tabs at the bottom: Courses, Calendar, Alerts. The Courses tab shows an overview of their classes in Canvas.

7. The Calendar tab will show the calendar with any events or assignments that will occur or are due soon.

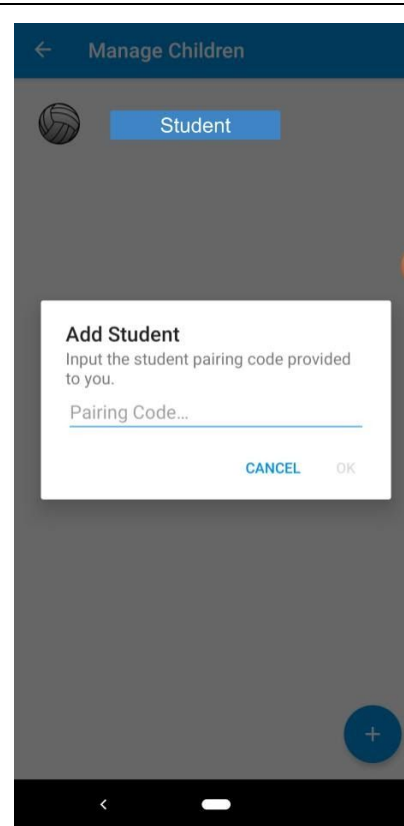

8. The Alerts tab will have reminders of upcoming events and due dates for assignments in list form.

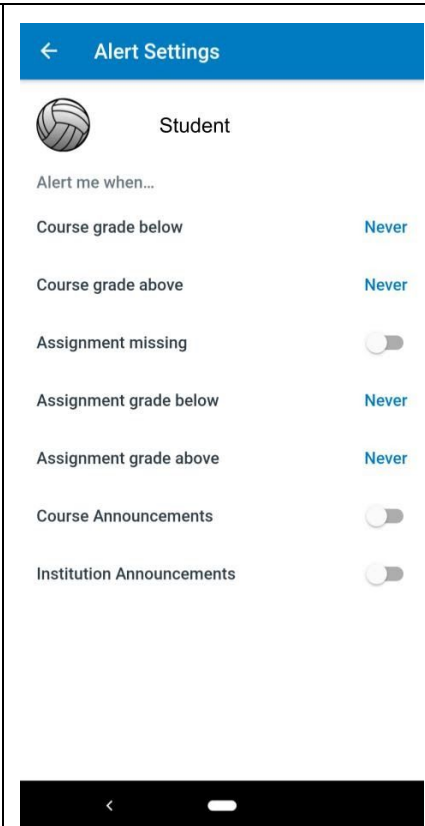

9. Click on the 3 line menu to view your account settings.

10. From this menu you can check your inbox for messages from the teacher and change your view settings.

11. Click on Click on "Manage Students" to add another child using a pairing code. Use the + icon to add.

12. Click on the name of the student to manage individual alerts.
