

Dear Chartiers Valley High School **Student**,

CVHS utilizes the **Schoology** (pronounced: Skoo'-luh-jee), learning management system (Online Classrooms). You can access your courses, assignments, and content by logging into one place! With your student account in Schoology you can:

• Access your Courses	• View your Grades
• Complete Assessments	• Collaborate within Groups
• Submit Assignments	• Receive Updates
• Communicate with Teachers	• Manage your Calendar

Since an account has already been created for you, all you have to do is log in! To help you get started, you have already been enrolled in your **Courses**.
