DISTRICT ORGANIZATION

The Board of Education recognizes that the grouping of grades and services within the facilities of the district can assist the efficient operation of the district and help achieve a more effective instructional program.

The schools of this district shall be organized as follows:

Elementary school	- grades kindergarten through fifth
Middle school	- grades sixth through eighth
High school	- grades ninth through twelfth

The Superintendent shall continually monitor the effectiveness of the district organizational plan and recommend to the Board such modifications in the plan which are in the best interests of the students, make the best use of district resources, and serve the educational goals of the Board.

Modifications in the District organizational plan may be made by the Board upon the recommendation of the Superintendent.

The Superintendent is responsible for presenting to the Board recommendations for changes in the organization of grades whenever new research, descriptions of best practices, or other circumstances warrant.
