

Mathematics Teacher

Cathedral High School in Indianapolis, an independent Catholic college preparatory high school in the Holy Cross Tradition, is seeking a Mathematics teacher to instruct students at various academic levels. The chosen candidate will be hired to begin employment at Cathedral during the 2020-2021 school year. Please submit all applications with a cover letter, resume, and collegiate transcripts to Beth Ernst, Human Resources Generalist at careers@gocathedral.com.

Applications are being reviewed now, and the position will remain posted until filled.

Job Summary

The successful candidate will be qualified and comfortable teaching any level of college preparatory high school mathematics, including Algebra and Geometry, as well as experience working with students at the High School level. This position is an integral part of Cathedral High School's Mathematics Department and will require the candidate to create a welcoming and engaging classroom environment for all students.

Desired Qualifications

- Bachelor's degree in education or in the specific content area
- Deep and thorough knowledge of the subject matter.
- Experience using online resources and other technologies to enhance learning.
- Valid Indiana Teaching License preferred.
- Master's degree preferred but not required.
- Experience within an educational and/or independent school environment.

Duties & Responsibilities

- Teach 5 sections of math classes
- Work directly with math department as part of a math PLC
- Contribute to the larger school community
